The following work has been done during the year :--Woodshed and W.C. have been erected at a cost of  $\pounds 14\ 10s$ ; kitchen oven supplied and fixed,  $\pounds 2\ 12s$ . 6d.; yard in rear of building excavated and drain dug,  $\pounds 13\ 3s$ .

Mr. Parry having resigned his seat on the Committee during July, Mr. A. G. Prater was appointed at the Committee Meeting on 7th August to fill the vacancy.

The Rules and Regulations of the Zeehan Hospital, with some slight necessary alterations, were adopted and printed.

A considerable amount of trouble having been experienced from the want of a suitable resident medical officer for the Hospital, Dr. Borthwick and Dr. Kennedy, of Zeehan, were asked to provide the necessary attendance. Those gentlemen having stated their inability to comply with the request of the Committee, it was resolved that Dr. Mathieson, of Beaconsfield, be asked if he would come to Strahan and act as resident medical officer. Dr. Mathieson, in reply, stated he would visit Strahan in January, 1894, and decide as to whether he could accept the invitation of the Committee.

The amount collected in subscriptions during 1893 was £47 13s. 6d. The balance to credit of the Committee at the National Bank, Strahan, on 31st December, 1893, and cash in hand, was £13 17s. 5d.

J. W. BROCKLEHURST, Hon. Secretary.
