

(No. 133.)

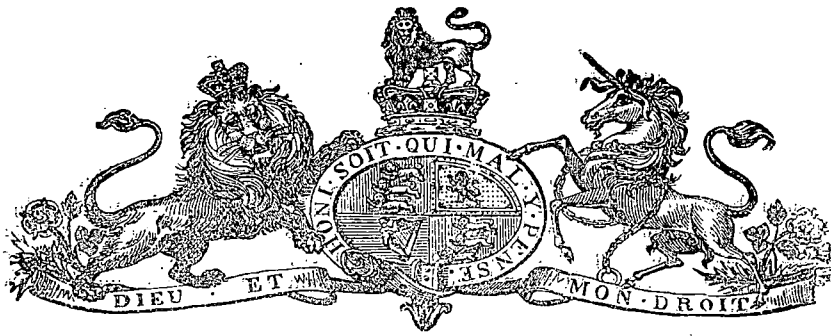

1885.

PARLIAMENT OF TASMANIA.

GOLD FIELDS REGULATIONS:

Under authority of "The Gold Fields Regulation Act, 1880," "The Gold Fields Regulation Amendment Act, 1883," and "The Gold Fields Regulation Amendment Act, 1885."

Presented to both Houses of Parliament by His Excellency's Command.

GOVERNMENT NOTICE.

No. 282.

Lands and Works Office, Hobart, 5th October, 1885.

THE following Regulations, made by His Excellency the Governor in Council under the authority of "The Gold Fields Regulation Act, 1880," "The Gold Fields Regulation Amendment Act, 1883," and "The Golds Fields Regulation Amendment Act, 1885," to take effect forthwith, are published in compliance with Section 63 of the said "Gold Fields Regulation Act, 1880."

NICHOLAS J. BROWN, *Minister of Lands and Works.*

REGULATIONS under "The Gold Fields Regulation Act, 1880," "The Gold Fields Regulation Amendment Act, 1883," and "The Gold Fields Regulation Amendment Act, 1885."

BY VIRTUE of "The Gold Fields Regulation Act, 1880," "The Gold Fields Regulation Amendment Act, 1883," and "The Gold Fields Regulation Amendment Act, 1885," the Governor in Council has been pleased to make the Regulations following, which shall apply to the whole Colony :—

Prospecting Claims.

130 Notwithstanding anything to the contrary contained in Regulation 124, a Prospector's Protection Order may be issued under Regulation 123, authorising the holder to prospect for gold in and upon Waste Lands of the Crown which shall be known to contain gold, whether the same shall or shall not have been previously held under lease; and the area of the prospecting claim held under such Protection Order shall not exceed Ten acres.

Protection Order.

Leases.

131 Any lessee who shall obtain from the Commissioner of Gold Fields permission in writing whereby the conditions of the lease with respect to the employment of labour, as specified in Regulation 94, are suspended, shall cause notice of such permission to be posted on some conspicuous part of the claim to which it relates during the term of the protection thereby afforded; and such notice shall set forth the period for which such protection shall continue; and every such lessee shall, for any breach or default hereof, forfeit and pay a penalty not exceeding Five Pounds.

Notice of Protection.

Mining Easements.

132 Any person or persons intending to apply for a Mining Easement shall proceed as follows :—If in timbered country, cut upon a tree in a conspicuous position, at the place at which such mining easement is to be available, or as near thereto as may at the time be practicable without survey, a mark which shall be clearly visible; if in open country, erect a post not less than three feet in height and three inches in diameter at the place at which such mining easement is to be available, or as near thereto as may at the time be practicable without survey. Place upon such tree or post, as the case may be, a notice in the form in the Schedule No. 28, which shall be clearly visible, with the words "Applied for mining easement," his name, or the names of any two if there shall be more than one, and the date legibly written or printed thereon; and such notice shall be properly maintained until the application is finally disposed of.

Marking :

In timbered country.

In clear country.

Notice to be put up.

Within fourteen days, or as soon thereafter as practicable, deposit the application with a Commissioner or Registrar of the District in which the proposed mining easement is to be available. The application shall be in the form in the Schedule No. 29, and shall set forth the nature and description of the mining easement applied for, and the position of the land to be affected by such mining easement, and the land or claim to which it relates,

Application form.

and for the convenient and advantageous working of which it is intended, the approximate length and intended course of any drain, tailrace, sludge channel, tunnel, tramway, road, or other work, and the area of any land required for any shaft, building, machinery site, or other works.

Application regulations to apply.

133 The several regulations now existing relating to the manner in which applications for leases shall be made, entertained, and dealt with, and the manner in which objections to such applications shall be made and investigated, shall apply to applications for mining easements, and objections thereto: Provided, the survey and plan of any qualified surveyor may be received and acted upon in lieu of a survey ordered as provided by Regulation 85.

Survey.

Licence.

134 The Licence may be in the form in the Schedule No. 30, or in such other form as the Minister shall direct in accordance with the particular circumstances of each case, and subject to the provisions of these Regulations.

Lease regulations to apply.

135 The several provisions of "The Gold Fields Regulation Act, 1880," and of the Regulations now existing, relating to the leasing and leases of land for mining purposes, so far as the same are applicable, shall apply to the granting of licences and to licences for mining easements: Provided, that any licence for a mining easement may be declared void and forfeited if the holder thereof shall fail or neglect to use the easement in a *bonâ fide* manner and continuously for a period of six months without the permission in writing of the Commissioner, or for or in respect of any of the causes of forfeiture mentioned therein, in the manner provided in Sections 38 and 39 of "The Gold Fields Regulation Act, 1880."

Forfeiture.

No. 29.

FORM OF APPLICATION FOR MINING EASEMENT.

(Place) _____

(Date) _____

To the Hon. the Minister of Lands and Works.

SIR,

I HEREBY apply for Licence for a Mining Easement under "The Gold Fields Regulation Amendment Act, 1885," the particulars of which are hereunder set forth.

I have the honor to be,

Sir,

Your most obedient Servant,

(Signature of Applicant) _____

Particulars.

Name of Applicant in full.	Address of Applicant, and nearest Post Office.	Term of years not exceeding 10.	Date when marked off.	Claim to which Easement is intended to relate.	Nature and description of Easement, and position of the land to be effected thereby, approximate length and intended course of drain, tail-race, sludge-channel, tunnel, tramway, road, &c., and area of land required for shaft, building, machinery site, or other work.

No. 30.

Know all men by these presents that the Minister of Lands and Works for the time being (hereinafter called the Minister), with the consent of the Governor in Council, doth hereby grant to _____ of _____ for the term of _____ years from the day of _____, 188 _____, subject to the provisions of the Gold Fields Regulation Amendment Act, 1885 (hereinafter referred to as the said Act) and to the regulations made thereunder, a licence in the said Act, and herein called a Mining Easement, which authorises the said _____, his executors, administrators, and assigns (except as against Her Majesty), for the more convenient and advantageous working of the land occupied by him or them, and described as follows [*here describe the claim held by the Licensee*] to [*here describe the nature of the easement, whether drain, tail-race, sludge-channel, tunnel, shaft, building, tramway, machinery site, road, or other work*], and from time to time to repair, alter, or improve the said [*drain, &c.*] Provided always that nothing herein contained shall be construed to affect or prejudice the existing rights of any person to the reasonable use of any mining easement, or to the reasonably convenient or efficient working of the ground belonging to or occupied by him. Provided also that this licence may be declared void and forfeited, in the manner provided in the 38th and 39th Sections of "The Gold Fields Regulation Act, 1880," if the said _____, his executors, administrators, or assigns shall fail or neglect to use the said mining easement in a *bonâ fide* manner and continuously for a period of six months without the permission in writing of the Commissioner.

In witness whereof the Minister has hereunto set his hand and seal this _____ day of _____, 188 _____.

(L.S.)

Signed, sealed, and delivered by the Minister of Lands and Works for the time being, in the presence of—
