* HUNTING GROUND.

Presented by Mr. Hayes, and ordered by the House to be printed, 21 July, 1864.

To the Honorable the House of Assembly of the Parliament of Tasmania, in Parliament assembled.

The humble Petition of the undersigned Inhabitants of the Municipalities of Bothwell and Hamilton.

RESPECTFULLY SHOWETH :

THAT your Petitioners, finding a Bill relative to Rural Municipalities is again before your Honorable House, and having applied on two former occasions to be joined with, and form part of, the Municipality of Green Ponds, would again respectfully beg to press upon your Honorable House the necessity and expediency of such a conjunction, and to represent the great inconvenience and loss of time sustained by your Petitioners consequent upon any business requiring their attendance at the Police or other Courts of the respective Municipalities in which their property is situate ; the distance from the Hunting Ground to the Townships of Hamilton and Bothwell being Twenty and Fifteen miles respectively, while it is but Seven to Green Ponds.

That Kempton is their Post and Market Town ; a branch Post conveyance being paid for by the inhabitants of the Hunting Ground.

That the ends of justice are often defeated in consequence of the distance your Petitioners have to travel to the Police Offices at Bothwell and Hamilton.

That your Petitioners have to pay for roads in those Municipalities they never use.

That two of your Petitioners, Anthony Fenn Kemp and Samuel Page, reside within a distance of Kempton of Three miles : Bothwell being distant Fifteen miles.

That your Petitioners include the whole of the residents within the area hereinafter described :—

Commencing at the junction of the River Jordan and Quoin Rivulet, thence in a north-westerly direction along the River Jordan to the north boundary of Lot 289 along the north boundary of that lot and Lot 88 and northern and western boundaries of Lot 152, thence along part of the northern boundary and the western boundary of Lot 475, thence by the western boundary of Lot 477, part of the northern boundary of 785, and along the northern, western, and part of southern boundaries of Lot 62, along the western and southern boundaries of Lot 92, thence along part of the western and southern boundaries of a Lot (not numbered) lying between Lots 95 on the north and 25 on the south, and thence along part of the south-west boundary of Lot 1478 to the River Jordan.

That your Petitioners would again respectfully, but urgently, reiterate their request to be annexed to the Municipality of Green Ponds.

And your Petitioners will ever pray, &c.
