W. LOVETT, Colonial Auditor.

J. S. DODDS, Colonial Treasurer.

Audit Office, 30th June, 1882.

SIR,
I HAVE the honor to return the several Statements of Account of the Consolidated Revenue of the year 1881 forwarded to me during the months of May and June. These Statements having been carefully examined, compared with the accounts and vouchers, and certain necessary corrections having been effected therein, are certified to be correct. Your attention, however, is called to the remarks contained in the following report on matters requiring adjustment.

REPORT.

REVENUE.

Revenue proper.—The Revenue proper for the year 1881 may be stated to amount to £502,147 13s. 1d.; viz., amount actually received and brought to account, £498,921 18s. 4d., and £3225 14s. 9d. estimated to be due by the Home Government on account of this year. This gives an increase of £63,554 18s. 8d. over the Revenue of 1880. The details of increase and decrease are shown in the following table:—

Pastoral Leases.—In my report upon the Accounts of 1880 reference was made to the want of satisfactory arrangements for recovery of the overdue rents of Crown lands. Since that time several communications have been addressed to you upon the subject, but no satisfactory means appear to have been adopted for improving the system complained of. The cases of default are increasing month by month, as will evidently be the case unless prompt steps are taken to compel payment.

Instalments on Purchased Lands.—On the 28th February last I addressed you on the subject of the large amount of overdue instalments for land purchased under the credit clauses of the Waste Lands Act, as on 31st December, 1881, amounting at that time to £18,695 17s. 5d. according to the Treasury Books. This amount does not appear to have been reduced to any extent. The Minister of Lands has, however, intimated that steps will be taken to declare all such lots in default forfeited at an early date.

EXPENDITURE.

Ordinary.—The ordinary Expenditure chargeable to the Consolidated Revenue for the year 1881 already ascertained, amounts to £430,513 17s. 7d.; viz.—

	£	s.	d.
Expenditure to 31st December, 1881.....	377,210	17	4
Reserves under "The Waste Lands Act".....	17,693	7	11
Expenditure 1st January to 31st March, 1882, on account of 1881, including payments in London.....	35,609	12	4
	£430,513	17	7

and it is estimated that an additional sum of £5000 will meet all outstanding claims on account of this year. The extraordinary charges against the Revenue which have also been debited to the year 1881 are £10,000 instalment of Treasury Bills, paid under Act 44 Vict. No. 14; and the sum of £20,800, which had been credited to the Consolidated Revenue for the reasons explained in my Report on the Accounts of the year 1880, but which it is now considered should be finally paid, in accordance with the provisions of Act 41 Vict. No. 6.

Appendix A.—I append, as usual, a Return (A) of expenditure not previously sanctioned by Parliament, but authorised by the Governor in Council under Section 19 of the Regulations under the Audit Act; also a return of special items not provided.

Estimates.—In connection with the Expenditure of 1881 I desire to point out that the printed Estimates furnished for the guidance of this Department have in some cases been altered in manuscript; the reason for this, as explained by the Treasury, verbally, is because the items of detail in the Estimates, as passed by the House of Assembly, had in some instances been reduced by the Legislative Council, and that the alterations had been subsequently adopted by the House of Assembly, but that the Estimates, as amended, had not been reprinted. When it is understood that, according to the Audit Act, the Estimates are made to form the basis of the Accounts, and that the Appropriation Act, which is framed on the basis of the Estimates as passed by Parliament, does not furnish any detail beyond the total of each Establishment, it is evident that a more formal proof of the genuineness of the alterations should be supplied

to this Department. A printed document (Appendix B.) has been supplied by the Colonial Secretary's Department in explanation, which does not bear any impress of authority. This Department has accepted this informal explanation temporarily; but it is necessary that Parliament should be asked to confirm the alterations in a more systematic manner.

Public Works Acts.—Certain Acts were passed during the last Session of Parliament authorising expenditure for the purposes and amounts stated; but in certain cases no provision has been made, in others the provision is insufficient, and in one case the provision is in excess. It is desirable that this matter should receive attention during the coming Session. The following table illustrates the cases referred to:—

<i>Authorising Act.</i>	<i>Purpose.</i>	<i>Amount authorised.</i>	<i>Providing Act.</i>	<i>Amount provided.</i>	<i>Amount required to be provided.</i>	<i>Excess provided.</i>

DEBT OF THE COLONY.

The Debt, according to the Balance Sheet, amounts to £2,070,300; this amount includes Treasury Bills for £80,000 redeemable from Revenue within the next four years, and Debentures for £65,500 payable in 1882, provided under Act 44 Vict. No. 34, and excludes the sum of £1800 for Debentures due on 31 December but not paid when the Accounts were made up; excluding the former items and including the latter, also adding Debentures authorised but not issued, the Debt will amount to £2,055,500; viz.—

	£
Debentures issued and outstanding	1,992,100
Debentures authorised but not issued	128,900
	2,121,000
Less Debentures redeemable in 1882 included in the above.....	65,500
	<u>£2,055,500</u>

It has been customary in former reports to give details of Debentures for which funds for redemption had been specially provided; but it is unnecessary to continue this explanation, as a Sinking Fund has been established by Act 45 Vict. No. 15, under the provisions of which the amount of these Debentures becomes a primary charge upon the Fund.

Loan, £300,000.—Under Act 44 Vict. No. 34 the Government were authorised to raise the sum of £300,000 by issue of Debentures bearing interest at the rate of 4 per cent. per annum, for the purpose of providing for expenditure under “The Main Roads and Bridges Act,” 44 Vict. No. 31, “The Public Works Act,” 44 Vict. No. 32, and “The Public Buildings Act,” 44 Vict. No. 33, and for the redemption of certain Debentures payable in the years 1880, 1881, and 1882, and in accordance therewith the Loan was floated in the London market on the 7th April, 1881, at an average of £99 11s. 9d. per cent., realising the sum of £298,765 5s. 6d.; after deducting the expense of negotiating the Loan, amounting to £2838 17s. 3d., the net proceeds have been appropriated as follows:—

	£ s. d.
To “Main Roads and Bridges Act,” 44 Vict. No. 31. account..	45,100 0 0
“Public Works Act,” 44 Vict. No. 32, account	4050 0 0
“Public Buildings Act,” 44 Vict. No. 33, account	21,800 0 0
Consolidated Revenue Account, for redemption Debentures due 1880	63,600 0 0
Ditto, ditto, 1881	78,900 0 0
Ditto, ditto, 1882	65,500 0 0
	<u>278,950 0 0</u>

and the balance..... 16,976 8 3 placed to credit of Act 44 Vict. No. 34 in suspense, to be hereafter dealt with. The sum of £65,500 credited to the

year 1882 includes £3600 amount of Debentures redeemable in that year under Act 31 Vict. No. 1, but under the provisions of Act 45 Vict. No. 15 these Debentures are payable out of the Public Debts Sinking Fund; a correction of this entry should therefore be made during the current year.

PUBLIC BODIES.

Municipal.—The Accounts of seventeen Municipalities have been examined and passed, but in the case of Sorell a qualified certificate could only be given, as explained therein; those for Hamilton and New Norfolk are under examination.

Road Trusts.—The Accounts of seventy-five Road Trusts have been received and audited; those for George Town have not yet been forwarded.

The audit of the Road Trust Accounts is necessarily incomplete as regards the check upon revenue derived from the rates, because no assessment roll specially prepared for each Road District, as such, is printed, the items in the Municipal and Police District Rolls being used and the amounts filled in when certain properties are considered to be within the Road District; it is therefore impossible for this office to know whether the persons *rated* or *not rated* are correctly included or excluded. This is a serious defect, which might be removed if the law were amended so as to require that the Municipal and Police District Rolls should be sub-divided into divisions based upon the boundaries of the Road District within each Municipal or Police District; the rolls so arranged and summarised would then serve the purpose without the necessity of publishing separate ones. Attention is also requested with reference to the remarks in last year's report respecting the insufficient time allowed by law for the audit and publication of the Road Trust Accounts.

Main Road Boards.—Forty-three Main Road Board Accounts have been received and are under examination.

Marine Boards.—Six Marine Board Accounts, including the Hobart and Launceston Boards, have been duly audited.

Rabbit Trust.—Seven Rabbit Trust Accounts have been audited.

Several.—The Accounts of the Cemetery Trustees, and four other Accounts of public bodies, have also been audited.

Main Line Railway.—The Accounts of this Railway have been duly audited to 31 December, 1881, and special reports thereon have been forwarded to you.

Tarleton Road Loan.—For several years past the want of some Act in respect to this loan has been brought under notice without the desired effect; it is very desirable that the matter should be dealt with without further delay.

General.—The work of auditing the accounts of the various local bodies, numbering 155, with the steady increase of work in other respects, presses very heavily upon this Department,—so much so that it will be impossible to carry out most important work, or to prevent the current work of the office from falling into arrear, unless additional assistance is granted. I have already addressed the Government on this subject, and hope its importance will be considered a sufficient excuse for urging immediate attention thereto.

TRUST FUNDS.

Assurance Fund, Real Property Act.—This account has been examined and found in order; the amount to credit is £4504 10s. 11d., of which £4000 is invested in Tasmanian Government Debentures.

Public Debts Sinking Fund.—In accordance with the provisions of Act 45 Vict. No. 15, the amount standing at credit of the under-mentioned accounts have been paid over to the Commissioners of the Public Debts Sinking Fund; viz.—

	£	s.	d.
Reserve under "Waste Lands Act," Section 19.....	4093	19	2
Ditto, Section 29	42,886	0	6
Reserve Fund, redemption of Debentures	3033	9	0
Local Public Works Sinking Fund	215	10	8
	<u>£50,228</u>	<u>19</u>	<u>4</u>

Two Debentures of £100 each, invested on account of the last-named Fund, have also been handed to the Commissioners. The accounts of the Public Debts Sinking Fund are not required to be made up until the 30th June of each year; they have not, therefore, yet reached this office for audit.

STOREKEEPER'S DEPARTMENT.

The Report of a Commission of Inquiry into the working and management of this Department having been referred to me by the Hon. the Colonial Treasurer, it was considered necessary to introduce improvements in the classification of the stores, the mode of keeping and rendering accounts, and in other respects; and Mr. R. M. Johnston, Chief Clerk of this Department, was deputed to visit the Stores Department and arrange

the necessary reforms. I have much pleasure in reporting that this work has been most satisfactorily carried out by that gentleman; that the plan introduced is found to work very satisfactorily; and I believe the new system of check to be very complete.

QUERIES, &c.

I append, as usual, a list of queries and letters not satisfied (Appendix C.), to which attention is requested. None of these, however, appear to be of sufficient importance to require special comment. I desire, however, to bring under notice again the non-receipt of replies to letters written to the Government for several years past on the subject of the security required by the Audit Act to be given by all Collectors of Revenue.

I have the honor to be,
Sir,

Your most obedient Servant,

The Honorable the Colonial Treasurer.

W. LOVETT, *Colonial Auditor.*
