Tonnage of Vessels entered at the Sub-port of Circular Head from 1st July, 1862, to 30th June, 1863..... 8631 tons.

The exports in the above written Return which are placed under the columns headed Stanley are produced on the Circular Head Block and its immediate vicinity, also including some from the Duck and Montagu Rivers, and Robbin's Island, but these form a small proportion.

Those under the columns headed Wynyard are produced in the vicinity of the River Inglis.

The agricultural produce in the column headed Burnie is almost all produced on the Emu Bay Block, but the timber in the same is chiefly from Crown Lands on the Rivers Emu and Cam.

The exports in the columns headed River Forth are inclusive of a small quantity from the River Don. These were produced in the Customs District of Port Frederick.

The declared value of produce exported, and tonnage of Shipping, may be divided for these four divisions as hereunder; viz.—

	£	s.	d.	Tons.
Stanley.....	23,718	8	10	4945
Wynyard.....	7216	10	0	2333
