The diagram illustrates the vertical arrangement of components within a mobile medical unit. Key features include:

- A vertical dimension of 600 units spanning the main body.
- A smaller vertical dimension of 350 units located near the top right corner.
- A horizontal dimension of 1000 units at the bottom right.
- Labels for various components: CBD, CBD/FAL, SBIN, C/A, TAP/SM, and SHRH.
- An arrow points from the label "CBD/FAL" to its corresponding component in the diagram.
