# HOUSE OF ASSEMBLY

SESSION OF 2022 - 2023

(THIRD SESSION OF THE FIFTIETH PARLIAMENT)

## NOTICES OF MOTION AND ORDERS OF THE DAY

No. 47

THURSDAY, 10 AUGUST 2023

(At 10:00 o'clock a.m.)

**Notices of Motion tabled prior to 8 August are published in the Motion Paper:**

### Notices of Motion

**144** Mr Young to move—That the House:—

- (1) Acknowledges:—
  - (a) that Tasmania continues to lead the nation on economic performance, having ranked first overall for 12 of the previous 14 CommSec State of the State Quarterly Reports and has improved on all eight performance indicators in the report since the Liberal Government was elected in 2014; and
  - (b) the latest Australian Bureau of Statistics (ABS) labour force data, which shows Tasmania breaking employment records, with a record 291,100 Tasmanians employed, including a record 140,200 women, which is over 56,000 more jobs compared with when the Liberal Government was elected in March 2014.
- (2) Notes that the current unemployment rate of 3.8% is the lowest in the state's history.
- (3) Further notes that, in contrast, the former Labor-Green Government oversaw an economy where:—
  - (a) consumption and investment contracted, quarter after quarter;
  - (b) State Final Demand contracted for six out of seven quarters between December 2011 and June 2013;
  - (c) the unemployment rate reached 7.9%, and over 19,000 Tasmanians were unemployed; and
  - (d) the State was plunged into recession.
- (4) Endorses the Rockliff Liberal Government's strong economic management, which has turned Tasmania's economy around, and its plan to continue growing our economy and seeing a record number of Tasmanians employed.
- (5) Acknowledges that these figures represent the livelihoods of real Tasmanians, as each new job created is another person contributing to our economy, but more importantly, providing for their family, and having a strong economy allows us to invest more into the things Tasmanians care about most. (8 August 2023)

**145** Ms Haddad to move—That the House:—

- (1) Notes:—
  - (a) that the week of 7 – 13 August 2023 is Homelessness Week – a time that Tasmanians are encouraged to reflect on issues affecting housing and homelessness;
  - (b) that for far too many Tasmanians, every week is homelessness week with increasing numbers of people unable to find a safe, affordable place to call home; and
  - (c) there are dramatic supply shortages in social and government housing, affordable housing, private rental homes and homes to buy.
- (2) Recognises:—

## NOTICES OF MOTION AND ORDERS

- (a) there are significant supply shortages in social and government housing, as well as affordable housing, and homes for private rent and sale; and
  - (b) that since the Liberal Government took office in 2014, the housing wait list has more than doubled and the housing wait time has more than quadrupled.
- (3) Further recognises a series of practical policies could be implemented to increase supply of housing across the board, and that Tasmanian Labor is putting forward a range of policies to achieve that including:—
  - (a) increasing the supply of social and government housing;
  - (b) build to rent to increase supply of private rental homes;
  - (c) expanding the My Home program to help more Tasmanians to buy a home; and
  - (d) removing the ‘first mover’ penalty that acts as a disincentive to unlocking land to increase the supply and construction of housing.
- (4) Further recognises Labor is focused on the things that matter to Tasmanians: housing, health and the cost of living and focused on practical policies that can be implemented to significantly increase the supply of housing across Tasmania. (8 August 2023)

**146** Mr *Wood* to move—That the House:—

- (1) Supports the Rockliff Liberal Government’s Renewable Energy Dividend (RED) policy, noting that:—
  - (a) each year when Hydro returns a dividend to Government over \$100 million, Tasmanians will directly share in it;
  - (b) the RED will be 50 per cent of the usual Government dividend over \$100 million;
  - (c) the dividend will appear as a financial credit on bills for around 254,000 Tasmanian households;
  - (d) Tasmanians could expect a saving of around \$100 off their power bill if Hydro delivered a profit of around \$160 million; and
  - (e) this means that when Hydro makes money, Tasmanians save money. (8 August 2023).

**147** Ms *White* to move—That the House:—

- (1) Agrees that after nearly 10 years the Liberal minority Government has lost its way.
- (2) Notes that in a cost of living, housing and health crisis, the Premier, Hon. Jeremy Rockliff MP, has engaged a PR company to spin his messages rather than deliver real solutions that will help people and improve the lives of Tasmanians.
- (3) Recognises the Liberal Government’s broken promise to deliver a Tasmanian First policy on energy is hurting Tasmanian households and businesses with a 22.5% increase in prices in just the past two years.
- (4) Further notes that the Premier was not the leader elected with a mandate and that the stadium has never been put to the people of Tasmania.
- (5) Further notes the comments by Independent Members Mr John Tucker MP and Mrs Lara Alexander MP, that to attempt to blame them for the Government’s problems is in their words, “pathetic”.
- (6) Further notes that in addition to the cost of living, health and housing crisis that makes life more difficult for Tasmanians, the Liberal Government is also making life difficult for our firefighters and for business, like Tasmanian-based saw-millers.
- (7) Agrees that an inept Cabinet and Liberal Government is failing Tasmanians. (8 August 2023)

**148** Ms *White* to move—That the House:— Orders the Premier, Hon. Jeremy Rockliff MP, to inform the House of the revised cost for the construction of Marinus Link and to table the letter sent by the Tasmanian Government to the Australian Government in July 2023 expressing concerns about the cost of the project, by Thursday 10 August 2023. (8 August 2023)

**149** Ms *White* to move—That the House censures the Minister for Energy and Renewables, Hon. Guy Barnett MP for the following reasons:—

- (a) deliberately and callously overseeing a 22.5% electricity price increase for Tasmanian households and small businesses;

## NOTICES OF MOTION AND ORDERS

- (b) doing nothing tangible to support larger businesses battling electricity price increases of more than 50%;
- (c) breaking his 2018 promise to de-link from the National Electricity Market;
- (d) breaking his 2021 promise to cap power prices if there was high volatility in the National Electricity Market;
- (e) saying he could not implement a price cap because it would jeopardise Project Marinus;
- (f) signing an agreement with the Australian Government on 19 October 2022 to fund Marinus Link saying Tasmania will only pay their fair share, before announcing nine months later that same agreement means Tasmania is not getting a fair deal;
- (g) refusing to be honest and transparent with Tasmanians about the current estimated cost of Marinus Link;
- (h) refusing to be honest and transparent with Tasmanians about the share of the cost of Marinus Link the Tasmanian Government is planning to contribute;
- (i) bringing four of Australia's largest energy companies to Tasmania to manufacture hydrogen and then telling them there was no power or water available to actually do it; and
- (j) overseeing an energy drought whereby our largest energy users are being told they cannot access additional electricity to create new jobs. (8 August 2023)

### 153 Ms Haddad to move—That the House:—

- (1) Notes:—
  - (a) that the Honourable William Cox AC conducted a thorough review of the Tasmanian Integrity Commission in 2016;
  - (b) that to date, the Liberal Government has implemented just six of the 55 recommendations made by Mr Cox; and
  - (c) that the Tasmanian Integrity Commission has some of the weakest powers of equivalent bodies around the country.
- (2) Further notes:—
  - (a) the need for better funding for the Integrity Commission and the implementation of recommended improvements to uphold integrity in our public institutions; and
  - (b) the Tasmanian Integrity Commission has the second lowest funding per capita of all integrity bodies in the country and complete less than ten percent of the number of investigations completed by mainland integrity bodies.
- (3) Further notes that trust in politics is at an all time low and that well functioning integrity bodies are an integral part to restoring trust in public institutions.
- (4) Further notes that the Government stubbornly refuses to progress work to implement the recommendations of the Cox review, or even give timelines for full implementation, and that there have been just a measly six implemented to date.
- (5) Calls on the Government to progress this work as a matter of urgency. (9 August 2023)

### 154 Ms Johnston to move—That:—

- (1) A Select Committee be appointed, with power to send for persons and papers and records, to inquire into and report upon:—
  - (a) the effectiveness and appropriateness of the Office of Racing Integrity, including its:—
    - (i) powers and functions;
    - (ii) complaint processes and the conduct of investigations;
    - (iii) regulatory compliance matters;
    - (iv) communication and relationships with stakeholders including TasRacing, industry participants, and the Minister for Racing;
  - (b) the appropriateness and workability of the Monteith recommendations; and
  - (c) any other matters incidental thereto.
- (2) The Members to serve on the Committee shall be five, being:—
  - (a) the Mover;
  - (b) one from the Government, nominated by the Leader of the House;
  - (c) one from the Opposition, nominated by the Leader of the Opposition;

## NOTICES OF MOTION AND ORDERS

- (d) one from the Tasmanian Greens, nominated by the Leader of the Tasmanian Greens; and
- (e) one Independent Member, nominated by the Mover.
- (3) The Committee shall report by 28 February 2024. (9 August 2023)

### **155** The Minister for Energy and Renewables to move—That the House:—

- (1) Notes:—
  - (a) that TasNetworks responded to a weather event on 31 July 2023; and
  - (b) the weather event, which lasted for a relatively short period, had a major impact on energy users around Tasmania;
- (2) Further notes Tasmania State Emergency Service received 10 call outs after record-breaking winds up to 143km/h were reported in Strahan and up to 100km/h at Bruny Island and Low Head.
- (3) Further notes outages were reported at Little Swanport, Swansea and Triabunna along with other parts of the State;
- (4) Acknowledges that dedicated TasNetworks crews around the State restored connection to around 15,000 customers within 24 hours of the disruption to service, with majority of disrupted households reconnected in that window.
- (5) Further notes that given the work needed to repair the infrastructure in a safe manner, the reconnection of so many households in such a small amount of time is a reflection of the hardwork and dedication the TasNetworks team delivers to the Tasmanian people on a daily basis. (9 August 2023)

### **156** The Minister for Veterans' Affairs to move—That the House:—

- (1) Notes the Minister for Veterans' Affairs, Hon. Guy Barnett MP was honoured to represent the Premier, Hon. Jeremy Rockliff MP at the RSL Tasmania – Inaugural Mid-Winter Gala Ball on 1 July 2023 in the Ricky Ponting Room, Blundstone Arena, Bellerive.
- (2) Further notes highlights included the Royal Australian Navy Band Tasmania providing music and vocals for guests to enjoy the evening.
- (3) Further notes:—
  - (a) RSL Tasmania's core function is commemoration, comradeship and welfare with RSL Tasmania delivering over 200 commemorative events in 2023 so far;
  - (b) the fantastic support of individuals and groups contributing donations to the raffle, with proceeds going to supporting Veterans and their families; and
  - (c) celebrating events such as this demonstrate how community spirit is alive and well with people showing an ongoing support for our Veterans and acknowledges that RSL Tasmania as a peak body is important to this ongoing success.
- (4) Congratulates RSL Tasmania for organising the Inaugural Mid-Winter Gala Ball, with appreciation to Acting State President Mr Michael Gallagher, CEO Mr John Hardy and the RSL Tasmania Team and thanks the many Volunteers who supported this inaugural event. (9 August 2023)

- (1) Expresses its sincere, heartfelt condolences to family members, friends and colleagues of the 201 Tasmanians who have died with Covid since the start of the pandemic.
- (2) Recognises these Tasmanians were loved and valued members of their families and communities, whose lives were tragically cut short.
- (3) Acknowledges with sadness:—
  - (a) 188 of these preventable deaths have been recorded since 15 December 2021, when Omicron arrived in Tasmania; and
  - (b) the thousands of Tasmanians who suffer from or at risk of disabling, long-term health consequences from Covid infection or reinfection.
- (4) Further recognises the removal of mandated protections, necessary to reduce mass Covid infections, has severely restricted the lives of many vulnerable Tasmanians, including the elderly and clinically vulnerable, and people with disability.
- (5) Accepts the scientific evidence that SARS-Cov 2 is an airborne pathogen with potentially fatal consequences and well understood, debilitating impacts on immune function.
- (6) Notes with real concern stagnating vaccination and booster rates, particularly amongst children and young people.
- (7) Agrees the trajectory of Australian Governments' Covid management, which facilitates constant reinfection, is untenable for individual and population health, as well as social and economic wellbeing.
- (8) Resolves to work cooperatively to educate, promote and model increased vaccination and booster uptake, indoor mask wearing and ventilation.
- (9) Calls on the Government to prevent further disabling illness and loss of life, and urgently adopt evidence-based policies, practices and communications that better protect Tasmanians from Covid. (Next Speaker: Dr *Woodruff*)
