FURTHER WAYS TO PARTICIPATE IN THE INQUIRY INTO THE ASSESSMENT AND TREATMENT OF ADHD AND SUPPORT SERVICES

Tuesday, 30 July 2024

The House of Assembly Standing Committee on Government Administration B is conducting an inquiry into the availability and efficiency of the assessment and treatment of Attention Deficit Hyperactivity Disorder (ADHD) and support services for adults and children with ADHD in Tasmania.

The Committee has made a public call for written submissions from interested persons and organisations, and would also now like to advise that interested persons who may not wish to make a written submission can contact the Committee secretariat to:

- a) register their interest to participate in an informal round table with the Committee (including an option by videoconference), or
- b) register their interest to give evidence at a formal public hearing, or
- c) register their interest in providing a video submission to the Committee.

Anyone who is interested in the above alternate options to engage with the Committee are asked to contact the Committee secretariat via email at assemblygab@parliament.tas.gov.au. Submissions close on **30 August 2024**.

Persons and organisations making a submission can request that their submission be kept confidential to the Committee, and not published, or that their name is withheld from the published submission.
