REPORT FROM THE JOINT COMMITTEE.

Brought up by Mr. Innes, and ordered by the Council to be printed, September 25,
1878.

REPORT.

Your Committee have the honor to submit the Report of the Librarian to Parliament, which by the Library Rules is required to be annually furnished by that Officer.

J. M. WILSON, *Chairman.*

Committee Room, 25th September, 1878.

Parliamentary Library, 30th July, 1878.

I HAVE the honor to present my Sessional Report on the Library.

During the late Recess Mr. Maning, late Clerk Assistant, and I arranged all the Books in the various Library and Committee Rooms as far as we could, as it was only within a few days of the Meeting of Parliament that the last shelving was put up by the contractor.

The Books, now numbering 7890 volumes, are in fair order and condition.

Seventy-one volumes have been added by presentation and purchase since last Report, (1st September, 1877).

Another box of bound volumes of Patent Specifications has been presented to the Library by the Patent Office Commissioners in England. I have had them arranged in the Custom House Vaults.

I annex the following Returns:—

1. A List of Books purchased and presented to the Library since 1st September, 1877.
2. A List of Books ordered from the Publishers, but not yet supplied.
3. A List of Books missing at this date.

HUGH M. HULL, *Clerk of the House
