FROM ELECTORS OF LAUNCESTON AGAINST ANY ALTERATION  
IN THE MODE OF NOMINATION AT ELECTIONS.

---

Presented by Mr. Wedge, and ordered by the Council to be printed, 9 December,  
1857.

To the Honourable the Legislative Council of Tasmania.

The Petition of the undersigned Electors of Launceston and others.

RESPECTFULLY SHOWETH :

THAT having ascertained that a Petition has been presented to your Honourable House, on the 23rd of October last, signed by one hundred and forty-four Electors and others of Launceston, praying your Honourable House will cause the Electoral Act of 1856 to be so far amended as to substitute the mode of nominating Candidates now in practice in the Colony of South Australia for the mode of Election established by Law in the Island of Tasmania.

That your Petitioners look with alarm upon any *innovation* interfering with the inherent privileges of British subjects, as the present mode of nomination of Candidates at Elections in this Island is the same mode practised in the United Kingdom of Great Britain and Ireland for centuries past ; and your Petitioners beg leave to express their astonishment at the attempt made by a particular section of the community in this Town to obtain signatures to the Petition alluded to.

Your Petitioners therefore pray, that your Honourable House will not sanction any alteration in the present mode of nominating for the Parliament of Tasmania.

And your Petitioners will ever pray.
