

(No. 69.)

1882.

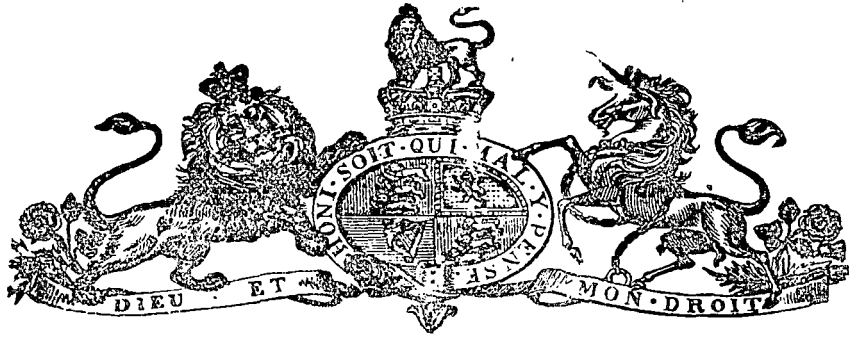

T A S M A N I A.

LEGISLATIVE COUNCIL.

CENTRAL OFFICE, MINING DEPARTMENT:

PETITION FROM LAUNCESTON STOCK EXCHANGE.

Presented by Mr. Aikenhead, August 17; and ordered by the Council to be printed,
August 18, 1882.

To the Honorable the President and Members of the Legislative Council.

WE, the undersigned Members of the Launceston Stock Exchange, respectfully petition your Honorable House to take such steps as your wisdom may direct to place the Central Office for the Mining Department at Launceston, as it is of vital importance that it should be at the place most easily accessible to the large and increasing population engaged in mining; and we would (with permission) direct attention to the several Petitions, numerously signed, presented to the House of Assembly.

And we will ever pray.
