LIBRARY OF PARLIAMENT:

ANNUAL REPORT.

Laid upon the Table by the Premier, October 20, 1882, and ordered by the House
to be printed.

Library of Parliament, 20th October, 1882.

SIR,

I HAVE the honor of presenting the Annual Report upon the Library of Parliament.

117 new Books have been purchased for the Library since the date of the last Report (1st July, 1881), a list of which is appended.

A large number of American publications have been received from the Smithsonian Institute, and the usual supply of Blue Books of the British Parliament.

All the Books have lately been carefully called over, and a complete list has been made out of volumes lost at various periods between the years 1857 and 1882. The second volume of D'Israeli's *Endymion* is the only Book missing since I assumed charge of the Library, in April last. I may add that twenty-six missing Books have been recovered during this year.

I am,

Sir,

Your most obedient Servant,

FRED. A. PACKER,

Clerk of the House and Librarian.

The Hon. the Chief Secretary.
