To the Honorable the Members of the Legislative Council, in Parliament assembled.

The humble Petition of the Inhabitants and Residents of the River Leven and its vicinity.

RESPECTFULLY SHOWETH :

THAT your Petitioners labour under great pecuniary difficulties, much loss of time, and serious inconveniences in the Port of Ulverstone not having been declared a Port of Entry for dutiable goods.

Your Petitioners therefore humbly request that you will take the matter into your earnest consideration, and cause such steps to be taken as to declare the Port of Ulverstone a Port of Entry for dutiable goods.

And your Petitioners, as in duty bound, will ever pray.
