Notices of Motion

12 The Minister for Energy and Renewables to move — That the House:—

- (1) Notes:—
 - (a) that the Kentish Council and Central Coast Council municipalities were subjected to a severe weather event on the weekend of 11 June 2022 with wind gusts of up to 200kmph causing extensive damage to property and the environment; and
 - (b) Kentish Council, Central Coast Council, our emergency services and service providers such as TasNetworks worked extremely hard under adverse conditions to ensure the safety and wellbeing of residents whilst getting essential services back on line as quickly as possible.
- (2) Recognises Disaster Relief Australia initiated their involvement in the clean-up effort deploying over 20 volunteers, many who are ex-veterans or retired emergency service workers. Disaster Relief Australia completed over 70 requests for assistance over many weeks as part of 'Operation Sheean' and will continue to assist as they are able.
- (3) Further notes the Tasmanian Government acknowledges and thanks the many community groups including Rural Alive and Well, Grans van, Sheffield Lions, emergency services personnel, residents and volunteers involved in the clean-up efforts.
- (4) Acknowledges the Tasmanian Government is continuing to provide assistance with the Australian Federal Government through the jointly funded Commonwealth-State Disaster Recovery Funding Arrangements (DRFA). (18 August 2022)

13 Mr O'Byrne to move — That the House:—

- (1) Notes that:—
 - (a) the latest Short Stay Accommodation Act data collection report indicated that there were 5,321 short stay accommodation properties listed in Tasmania during the first quarter of 2022;
 - (b) recent data shows approximately half of properties listed on short stay accommodation booking sites in Tasmania were not primary residences; and
 - (c) Tasmania has one of the lowest rental vacancy rates in the country, which has contributed to the rapid rent increases seen in Tasmania over the last two years.
- (2) Acknowledging the ongoing housing crisis and the impact that rental affordability and availability is having on Tasmanians struggling under the increasing cost of living.
- (3) Recognises the unprecedented demand for social housing in Tasmania, with average wait times for priority applicants on the housing register exceeding 67 weeks.
- (4) Calls upon the Government to introduce a levy on short stay accommodation properties that would level the playing field between renters and tourists and encourage short stay properties to return to the private rental market. (18 August 2022)

NOTICES OF MOTION AND ORDERS

14 Mr O'Byrne to move — That the House:—

- (1) Notes:—
 - (a) the latest Report on Government Services showed state-wide Ambulance response times in Tasmania are the slowest in the country, with the 90th percentile average response times surpassing 33 minutes;
 - (b) since this Government came to power in 2014, it is now taking an average of three minutes longer for ambulances to arrive to patients; and
 - (c) the average number of hours ambulances across the State spend ramped each and every day has increased by over 115% since 2014.
- (2) Further notes that patient experience survey data reveals Tasmanian ambulance patients rate the level of care they received from our Paramedics higher than patients in any other State or Territory.
- (3) Acknowledges the extreme difficulties faced daily by our paramedics and front-line health professionals due to the dilapidated state of our health system.
- (4) Commends the extraordinary work of our paramedics right across Tasmania who continually impress the community with their commitment and professionalism, despite the extreme pressure and stress they are placed under.
- (5) Calls upon the Government to commit to reducing ambulance response times to the national average by the end of 2022. (18 August 2022)

15 Mr Tucker to move—That the House:—

- (1) Notes:—
 - (a) that the Tasmanian Liberal Government understands it is a difficult time for many in our community and has measures in place to assist Tasmanians with the cost of living;
 - (b) that due to the COVID-19 pandemic, the conflict in Ukraine and other global supply issues, the cost of fuel has significantly increased nation-wide and that the decision of the previous Federal Liberal Government to cut the fuel excise was welcomed by all Tasmanians who saw a reduction in fuel prices at the bowser; and
 - (c) that this Government is taking practical steps to provide relief to Tasmanian families and strongly urges the new Federal Labor Government to extend the fuel excise reduction until at least the end of 2022.
- (4) Calls on the Tasmanian Labor Party to support the Tasmanian Liberal Government and also speak to their Federal counterparts and demand they extend the fuel excise reduction to help Tasmanians struggling with the high cost of fuel. (23 August 2022)

16 The Minister for State Development, Construction and Housing to move—That the House:—

- (1) Notes that Agfest, Tasmania's premier agricultural and machinery field day event held at Quercus Park Carrick in the Minister's electorate of Lyons, runs from 24-27 August 2022, with their online component – 'Agfest in the Cloud' - from 27 August to 2 September 2022.
- (2) Recognises Agfest continues to grow in size and reputation across its 39-year history - the first event in 1983 attracting 111 exhibitors and 9,000 patrons. The final full-scale event in 2019, prior to COVID-19, attracted 728 stallholders and 63,838 patrons.
- (3) Further notes the event is a strong contributor to Tasmania's economy and agriculture sector, and many visitors and attendees take the opportunity to spend extra time in Tasmania.
- (4) Acknowledges:—
 - (a) that the Agfest Committee is a volunteer role comprised of approximately 60 Rural Youth members, who are a non-profit organisation with members between the ages of 15 and 30; and
 - (b) that the Tasmanian Government has proudly provided funding to Agfest to ensure the continuity and growth of this iconic event.
- (5) Tasmania has a booming agriculture sector and we are on track to sustainably reach our goal of \$10 billion farm-gate value by 2050, and events like AGFEST are an important part of Tasmanian agriculture.

NOTICES OF MOTION AND ORDERS

- (6) Congratulates the Agfest Committee and Rural Youth volunteers for their dedication in making Agfest the truly iconic, nationally recognised event it has become. (23 August 2022)

17 Ms Haddad to move—That the House:—

- (1) Notes that in addition to its significant human toll, the cost of the housing crisis is also felt across the economy and has an effect on the State Budget.
- (2) Further notes the lack of affordable housing contributes to:—
 - (a) businesses and essential public services being unable to fill vacancies, particularly in regional areas;
 - (b) children missing out on schooling and other educational opportunities;
 - (c) the Government needing to spend more than \$100,000 a day on homelessness services;
 - (d) increased demand on health services, due to the physical and psychological impact of homelessness and housing stress, as well as the unhealthy state of many public housing properties;
 - (e) family violence victim-survivors returning to unsafe relationships;
 - (f) increased costs in the justice system, due to recidivism linked to homelessness and because people are unable to be granted parole due to a lack of a safe place to live; and
 - (g) increased levels of crime.
- (3) Calls on the Tasmanian Government to recognise the hidden costs of the housing crisis and urgently increase its investment in community support services and social housing, and take action to increase the amount and affordability of rental stock, and act quickly to remove unnecessary barriers to the construction of new housing. (23 August 2022)

18 Ms Haddad to move—That the House:—

- (1) Acknowledges the numerous skills, planning, regulatory and infrastructure challenges that must be addressed in order to alleviate the housing crisis, including:—
 - (a) the lack of a single state-wide planning scheme, eight years after the Liberals promised to create one;
 - (b) significant shortcomings in the regulation of poor quality building work;
 - (c) a failure to regulate appropriately the short stay accommodation industry;
 - (d) significant and prolonged skill shortages across the building and construction sector;
 - (e) insufficient mechanisms to plan for and provide the transport, infrastructure and services needed for large-scale new developments;
 - (f) the clear need for a complete review of the Residential Tenancy Act;
 - (g) the substantial maintenance backlog in public and social housing properties; and
 - (h) the urgent priority of identifying locations where more transitional housing is needed.
- (2) Calls on the Tasmanian Government to take immediate action to address these underlying causes and contributing factors of Tasmania's housing crisis. (23 August 2022)

19 Mr O'Byrne to move—That the House:—

- (1) Notes:—
 - (a) workers across a number of core State Government services including healthcare, education, child safety and emergency services have commenced, or are soon to commence, industrial action in protest of their treatment by the Government;
 - (b) the Government's current wages position will deliver a real pay cut to tens of thousands of Tasmanian public sector workers; and
 - (c) Tasmania's health professionals, teachers and firefighters are some of the lowest paid workers in their careers in the country.
- (2) Recognises:—

NOTICES OF MOTION AND ORDERS

- (a) the Tasmanian community depend on the services that the Government provides and it is important that those services are delivered by professional and skilled public sector workers; and
 - (b) that public sector workers deserve so much more than platitudes and words of appreciation from this Government.
 - (3) Acknowledges that staff shortages continue to impact many key government services, which is exacerbated by staff becoming over-worked and under-valued.
 - (4) Commends the hard work of Tasmania's public sector workers who have faced unprecedented challenges in continuing to deliver core government services through the COVID-19 pandemic.
 - (5) Calls on the Government:—
 - (a) to undertake wage negotiations in a good faith and ensure issues such as safe workplaces and job security are addressed; and
 - (b) to commit to a pathway to achieve competitive public sector wage parity during the current enterprise bargaining negotiations. (23 August 2022)
- 20** Mr *Winter* to move—That the House:—
- (1) Agrees with the Tasmanian Liberal Party State Council that, “The Tasmanian Government has greater discretion to determine the price at which energy is sold to the national grid”.
 - (2) Acknowledges that Tasmanians are under unprecedented cost of living pressures, even before power prices went up by 12%.
 - (3) Notes the advice from the Department of Treasury and Finance that, in the event of further volatility in mainland National Electricity Market prices in the future, the Government retains the ability to re-introduce previous policy instruments to protect Tasmanian households and businesses.
 - (4) Calls upon the Government to immediately commence work to implement a pricing structure so that Tasmanians pay Tasmanian prices for Tasmanian power. (23 August 2022)
