- (4) Calls on Members to honour the victims and survivors of the atomic bombings of Hiroshima and Nagasaki by signing the 'Parliamentary Pledge for the United Nations Treaty on the Prohibition of Nuclear Weapons', which is a commitment by parliamentarians around the world to work to promote the signature and ratification of the Treaty by their respective countries. (15 September 2020)

340 Ms *O'Connor* to move—That the House:—

- (1) Recognises the coronavirus pandemic has inflicted anxiety, sorrow and mental ill-health across the Tasmanian community.
- (2) Acknowledges Tasmanians in the aged care system have been particularly affected by COVID-19 restrictions and more isolated than many others in the community.
- (3) Further recognises that communication channels are critical to older people in aged care facilities.
- (4) Understands while most patients in Tasmanian hospitals have a bedside phone, an estimated 40 per cent – approximately 2,000 Tasmanian aged care residents - do not have a phone in their room.
- (5) Further understands Advocacy Tasmania has written to Minister for Youth, Sport, Aged Care and Senior Australians, Senator the Hon. Richard Colbeck on behalf of more than 5,000 Tasmanians living in aged care asking for in-room phones which they claim are a "lifeline".
- (6) Agrees a critical part of tackling elder abuse is the ability to ask for assistance.
- (7) Calls on the Gutwein Government to work with Federal Minister Colbeck to ensure all Tasmanians in aged care had access to in-room phones. (15 September 2020)

341 Ms *O'Connor* to move—That the House:—

- (1) Acknowledges that 15 September 2020 was the International Day for Democracy.
- (2) Agrees that key to democratic societies is freedom of speech and expression, a central part of which is a free press.
- (3) Understands that:—

NOTICES OF MOTION AND ORDERS

- (a) Australian writer, Yang Hengjun, was taken by Chinese authorities in January 2019, and is still in detention without charge;
 - (b) Cheng Lei, Australian anchor for China's government-run English news channel CGTN, was detained in Beijing, with the Australian Government notified of her detention on 14 August 2020 without charge; and
 - (c) The ABC's Bill Birtles and Tasmanian Mike Smith, from the Australian Financial Review, were forced to flee China on 8 September 2020 after a tense five-day diplomatic standoff.
- (4) Notes there are now no Australian journalists working for Australian media organisations in mainland China.
 - (5) Further agrees with Federal Labor Leader, Hon. Anthony Albanese MP's comments on the ABC's Insiders program that the Chinese Communist Government was "quite clearly" intervening in Australia and "that requires a response by the Australian Government in the national interest".
 - (6) Encourages Tasmanian Labor Members to take heed of their Federal Party Leader's comments and to remember their solemn obligation to stand up for democracy and human rights. (15 September 2020)

342 Ms O'Connor to move—That the House:—

- (1) Notes with disdain Tasmania has the weakest donation disclosure laws in the country and is the only State without a State-based legislative framework for donations.
- (2) Acknowledges the case was strongly made for electoral donations reform at the last State Election, when millions of dollars in donations went undisclosed.
- (3) Understand that lowering the threshold for political donations disclosure is critical to electoral reform.
- (4) Agrees that political donations must be disclosed in real time.
- (5) Recognises that to clean up democracy requires expenditure caps, bans on corporate donations and donations from foreign interests, and public funding for election campaigns as with every other Australian State, Territory and the Commonwealth.
- (6) Further notes, following wide public consultation, the Attorney-General, Hon. Elise Archer MP, received a report of the review of Tasmania's weak political donations framework in late 2019 and has not released it.
- (7) Calls on the Attorney-General to release the report publicly and prioritise electoral reforms ahead of the next State Election. (15 September 2020)

346 The Minister for Veterans' Affairs to move—That the House:—

- (1) Recognises that today is Battle of Britain Day, an annual day of remembrance for those who fought and died in the Battle of Britain, history's first entirely aerial campaign and a strategic turning point of the Second World War.
- (2) Notes that the Battle occurred over the United Kingdom between 10 July 1940 and 31 October 1940 between the air forces of Nazi Germany and the then British Empire and Commonwealth.
- (3) Further notes that Allied success in the Battle was pivotal in seeing the planned seaborne invasion of the United Kingdom by Hitler's Germany cancelled, allowing the British Isles to eventually become the springboard from which the invasion of occupied Europe was performed, leading to the liberation of millions under Nazi oppression.
- (4) Pays tribute to 'The Few', as Winston Churchill immortally named the fighter pilots fighting in the skies over Britain, for their service, courage and sacrifice, including more than thirty Australians, 14 of whom died in the Battle including Flight Lieutenant Stuart Walch, of Hobart, who attended the Hutchins School before joining the RAAF.
- (5) Acknowledges a memorial service commemorating the Battle held at St David's Cathedral on the weekend of 12-13 September 2020 and a wreath laying service at the Hobart Cenotaph with representatives from the Australian Defence Force, ex-service organisations and all levels of Government attending. (15 September 2020)

347 The Minister for Veterans' Affairs to move—That the House:—

- (1) Notes that 3 September 2020 was Australian National Flag Day, the annual day specifically dedicated to celebrating our national flag.

NOTICES OF MOTION AND ORDERS

- (2) Further notes that Australian National Flag Day was officially established in 1996 by the proclamation of the former Governor-General Sir William Deane, AC, KBE, QC and celebrates the first time the flag was flown on 3 September 1901 over the dome of the Exhibition Building in Melbourne when then Prime Minister, the Rt. Hon. Sir Edmund Barton GCMG, KC announced the winners of a competition to design a flag for Australia.
- (3) Acknowledges the Australian National Flag as Australia's foremost national symbol and a unifying and powerful expression of Australian identity.
- (4) Further notes that Australian National Flag Day provides all Australians with an opportunity to reflect with pride and gratitude upon the achievements and qualities of this great nation since Federation.
- (5) Further acknowledges the sterling work of the Australian National Flag Association in promoting and protecting our national symbol, whose work locally is led by Mr Reg Watson.
- (6) Congratulates all individuals, community organisations, local authorities, businesses and schools across Tasmania that celebrated Australian National Flag Day by conducting flag-raising ceremonies and by flying or displaying the National Flag. (15 September 2020)

348 Ms *Standen* to move—That the House:—

- (1) Notes that we have an estimated 26,000 temporary visa holders residing in Tasmania, who are ineligible for Commonwealth income support.
- (2) Further notes that due to the coronavirus pandemic a significant number of temporary visa holders in Tasmania lost their jobs, and particularly young people and workers in tourism, retail and education sectors were disproportionately affected, experiencing hardship and income loss and in many cases have exhausted their savings.
- (3) Acknowledges on 22 April 2020 the Gutwein Liberal Government announced a COVID-19 support package for temporary visa holders experiencing financial hardship due to the coronavirus pandemic, including extending the eligibility for Pandemic Isolation Assistance Grants providing a one-off payment of \$250 per individual or up to \$1,000 per family.
- (4) Recognises that while this was a welcome contribution, one-off funding assistance provided at most one to two weeks' rent and food relief to eligible households.
- (5) Further notes the Premier, Hon. Peter Gutwein MP, promised up to \$3 million for his Government to work with industry sectors and employers to retain temporary visa holder employees because of their specialist skills so that we don't lose skilled workers.
- (6) Calls on the Liberal Government to report on how many temporary visa holder employees and households have been supported through these measures.
- (7) Further calls on the Liberal Government to urgently consult with stakeholders to understand what additional support is required by temporary workers and international students to ensure they do not fall through the gaps. (16 September 2020)

Orders of the Day

2 Animal Welfare Reformation Bill (No. 38 of 2018): Second reading. (Ms *O'Connor*)

3 Right to Information Amendment Bill 2019 (No. 8 of 2019): Second reading. (Ms *Haddad*)

4 2019 Federal Election: Adjourned Debate on the Question proposed on Wednesday, 22 May 2019 by Mr *Shelton*—That the House:—

- (1) Congratulates Prime Minister Hon. Scott Morrison MP and the Federal Liberal Party for the outstanding result in the Australian Federal election held on 18 May 2019.
- (2) Further congratulates, subject to final confirmation, the election of Tasmanian Federal Liberal representatives in both the Senate and the House of Representatives.

NOTICES OF MOTION AND ORDERS

- (3) Notes the strong relationship between the Hodgman and Morrison Governments, working together to deliver a stronger economy, real investment in infrastructure and better health and education services for all Tasmanians. (Next Speaker: Dr *Woodruff*)

5 Battery of the Nation: Adjourned Debate on the Question proposed on Wednesday, 31 July 2019 by Mrs *Rylah*—That the House:—

- (1) Notes Tasmania has the renewable and dispatchable energy the rest of the nation needs, and the Hodgman Liberal Government is committed to using this advantage to ensure all Tasmanians benefit.
- (2) Records this Governments continuing drive for the development of the Battery of the Nation and the crucial second interconnector, the Marinus project, which have the potential to inject up to \$5 billion into the Tasmanian economy and deliver 2,000 jobs, particularly into regional areas.
- (3) Further notes that the development stage of the first phase of the Battery of the Nation carries the commitment of the Federal Government through the Federal Underwriting New Generation Investment program.
- (4) Further notes that support by both the Hodgman Liberal Government and the Federal Government, gives UPC Renewables and AC energy, more confidence to develop their Robbins Island and Jims Plain wind and solar parks.
- (5) Recognises that Tasmania has a world-class wind resource complemented by our pumped hydro that means there will always be some electricity available for export when the mainland is experiencing low wind or high demand.
- (6) Acknowledges that the Australian Government clearly recognises the importance of Tasmania's energy solutions and our status as the leading energy state.
- (7) Commends the Hodgman Liberal Government for its strong commitment to making use of the natural resources available to the State while at the same time ensuring all Tasmanians will have access to low cost, reliable and clean energy in their homes and businesses.

To which the following amendment has been proposed by Dr *Woodruff*, by leaving out all words after "That the House:-" and inserting instead:

- “(1) Notes that the Liberals repeatedly talk about the Marinus project and use it as a political wedge, particularly during election periods, despite the fact that they have not put forward a financing proposal or a position on who should finance the multi-billion project.
- (2) Agrees that the project could cost in excess of current total Public Non-Financial Corporations Sector debt, and feasibility studies and prominent economists such as Saul Eslake have raised serious concerns about the viability of the project, which have not been addressed by the State Government.
- (3) Notes that the Liberals passed legislation to set wholesale electricity prices at a rate higher than projected, leading to energy bills decreasing by less than they would otherwise would have.
- (4) Notes with alarm that the Liberal Government continues to allow Entura to engage in profiteering from immoral projects overseas such as the Karuma hydro power project Uganda, which has been linked to killings and other human rights violations.
- (5) Condemns the Liberal Government for their lack of honesty, ethics or plan in their handling of the Energy portfolio.” (Next Speaker: Minister for Energy)

- (2) Further acknowledges that homelessness is often linked to other challenges such as mental illness, and the Tasmanian Government is focusing on the integration of mental health services to provide more holistic support and greater independence for clients.
- (3) Further acknowledges that Tasmania's Affordable Housing Strategy is responding to the current challenges in the housing market by boosting supply across a spectrum of needs.
- (4) Further acknowledges that the Affordable Housing Action Plan Stage 2 and the additional investment in funding is another positive step towards continuing this momentum.
- (5) Recognises that all levels of government have a role to play in addressing the supply and demand in our housing market.

9 Economic Growth: Adjourned Debate on the Question proposed on Wednesday, 16 October 2019 by Mrs Rylah—That the House:—

- (1) Acknowledges that the Hodgman majority Liberal Government has a long-term plan to keep our economy strong, carefully manage the Budget, help create jobs, and invest even more in essential services.
- (2) Notes that, at the State election in March 2018, Tasmanians saw the progress that had been made in delivering our plan, across our State, in four years under a majority Liberal Government, and they supported it again.
- (3) Recognises that a vital part of the plan was to first and foremost, restore business confidence and strengthen our economy.
- (4) Further notes that Tasmania's businesses are now measured as the most confident in the nation, that Tasmania has the best business conditions in the nation and that Tasmanian small businesses are the powerhouse of our economy.
