Gas (Consequential Amendments) Bill 2018

This Bill updates a number of Acts and Regulations to ensure that those laws reflect the changes from the *Gas Act 2000* and the *Gas Pipelines Act 2000* to the *Gas Industry Bill 2018* and the *Gas Safety Bill 2018*, as appropriate in the context of the relevant legislation.

The Bill does not reflect any changes in policy, but reflects the change in the name of the relevant legislation.
