Dear Committee Secretary

I write to outline my opposition to the proposed \$750 million stadium at Macquarie Point.

As a taxpayer I object to public funding going towards this project when thousands of Tasmanians can't get a home, more than 55,000 Tasmanians are on the health waiting list to see a specialist and the cost of living is making life harder for more and more Tasmanians.

The AFL shouldn't be making Tasmanians pay for a new roofed stadium to have our own Tasmanian team. No other state has been made to do this. Tasmanians have not been consulted on the chosen site and I do not support the decision made by the government. For such a large project, Tasmanians should have a say. This means it should be an election issue.

Another stadium is the wrong priority for our state.

Kind regards
Wendy Wilson,
