Subject: Proposed Stadium
Date: Saturday, 17 December 2022 6:23:15 AM

The opinion of all Tasmanians of voting age should be canvassed in the form of a referendum on the proposed new stadium.

The proposed Stadium is the desire of a minority group supposedly representing the entire island in this proposed undertaking.

The proposed undertaking does not represent the interests of all Tasmanians.

I vehemently am opposed to the outlay of public funds being poured into this proposal!

Public funding is just that: Funding that supports ALL Tasmanians.
