Dear Mr Fairs

I am writing to provide clarification regarding a comment I made during my appearance before the House of Assembly Estimates Committee B on Tuesday, 2 June 2026, in my capacity as Minister for Primary Industries and Water.

I said that I personally have not received any gifts from any salmon companies or anyone else for that matter. To avoid any doubt, I have accepted a small number of gifts and tickets that relate to my portfolio responsibilities, which will be disclosed in line with the usual process.

Yours sincerely
