Laid upon the Table by Mr. Coote, September 19, 1882, and ordered by the House to be printed.

To the Honorable the Speaker and Members of the House of Assembly.

WE, the undersigned residents of Gladstone and its vicinity, believe it to be of vital importance for the fostering and development of the large Mining Interests that the Central Office should be at Launceston; and we humbly request your Honorable House to grant our Petition.

And will ever pray.
