ROAD FROM LAUNCESTON TO BLACK BOY.

P E T I T I O N.

Presented by Mr. Lette, September 8, 1870, and ordered by the House to be printed.

*To the Honorable the Speaker and Members of the House of Assembly,
in Parliament assembled.*

THE undersigned Landowners and others residing in the Districts of Selby and Morven beg respectfully to bring under notice of your Honorable House the necessity of opening a Road for conveyances from Launceston to the Black Boy, by way of the White Hills and Watery Plains, by which a saving of considerable distance may be effected. The recent discoveries of Gold in the Fingal District daily increases the traffic; and we trust this our Memorial may be favourably entertained.
