

LEGISLATIVE COUNCIL

SESSION OF 2019 - 2020

(SECOND SESSION OF THE FORTY-NINTH PARLIAMENT)

NOTICES OF MOTION AND ORDERS OF THE DAY

No. 62

TUESDAY, 25 AUGUST 2020

(At 11.00 o'clock am)

NOTICES OF QUESTION

42 Ms Webb to ask the Honourable Leader of the Government —

With reference to the *Expungement of Historical Offences Act 2017* ('the Act') and, in particular, Section 32 under which the Minister for Justice is to cause an independent review of the operation of the Act to be completed within six months after the second anniversary of its commencement:

- (1) What progress has the Minister made towards the review of the operation of the Act noting that it is required to be completed by October 2020?
- (2) Have the persons who will carry out the review been appointed, noting that Section 32(1) of the Act requires that a majority of these persons must not be employees of the State or of any agency of the State?
- (3) Will the persons carrying out the review include persons with legal expertise and, in particular, expertise in the laws and practices that have affected the LGBTI community in Tasmania?
- (4) Will the persons carrying out the review include persons who are members of the Tasmanian LGBTI community with experience engaging with and representing the views of that community?
- (5) Will the terms of reference for the review include:
 - (a) feedback from all applicants for expungement and from those who are eligible but have not yet applied;
 - (b) comparative analysis with other jurisdictions; and
 - (c) consideration of possible additional 'restorative justice' initiatives, in addition to the expungement of criminal records, that could further address the harmful legacy of the historic laws covered by the Act?
- (6) In light of the COVID-19 pandemic, does the Government intend to seek an extension to the deadline for the completion of the review to ensure a comprehensive review process can take place?

(asked 24.06.20)

43 Ms Webb to ask the Honourable Leader of the Government —

In relation to the planned reopening of Tasmania's poker machine rooms on 26 June 2020, and the government's apparent protocol of responding to the COVID-19 pandemic with an evidence-based approach based on public health advice:

- (1) Does the Government acknowledge that the resumption of operation of poker machine gaming rooms in Tasmania is not comparable to the resumption of the other food, beverage and event aspects of the hospitality industry as, in addition to managing COVID-19 health risks, evidence points to the use of poker machines presenting additional and unique economic and social risks at this time?

- (2) Has the plan and timeline for resuming the operation of poker machines in Tasmania been data-driven and based on health, economic and social impact analysis?
- if so, please provide that analysis
 - if not, please provide the full rationale and factors considered in making the determination that the resumption of poker machine use was appropriate to occur on 26 June?
- (3) Noting the clear evidence from the Global Financial Crisis (GFC) in 2008-09 where government stimulus payments were shown to have been diverted to poker machines causing losses to spike substantially, what impact analysis has been done to assess the risk that restarting access to poker machines at this time will erode the effectiveness of both Federal and State government economic stimulus efforts (including, but not limited to, increased Job Seeker payments, Job Keeper payments, and early-accessed personal superannuation lump sums) designed to ensure household essential requirements are met and local economies most effectively supported?
- (4) (a) Has the government been lobbied to reopen public access to gaming rooms; and
 (b) if so, by whom?
- (asked 25.6.20)
