

Terms of Reference

“To inquire into and report upon the resourcing of Tasmania’s major hospitals to deliver acute health services, including mental health services, to the people of Tasmania, with particular reference to:

- (1) Current and projected state demand for acute health services;
- (2) Factors impacting on the capacity of each hospital to meet the current and projected demand in the provision of acute health services;
- (3) The adequacy and efficacy of current state and commonwealth funding arrangements;
- (4) The level of engagement with the private sector in the delivery of acute health services;
- (5) The impact, extent of and factors contributing to adverse patient outcomes in the delivery of acute health services; and
- (6) Any other matters incidental thereto.”
