House of Assembly,
Hobart, February 9, 1925.

A. Bernays, Esq.,
Clerk of the Legislative Assembly,
Queensland.

My dear Sir,

I have to acknowledge the receipt of your letter of 31st ult., on the subject of the position of Members when speaking in the House.

In reply I may state that our Standing Order No. 144 is identical with your No. 104, but so far as I can remember no exception has ever been taken to a Member going to the Table to speak. In our House Ministers have a desk, from which it is usual for them to address the House, and the Leader of the Opposition usually faces the side of the Clerk's desk, resting his papers on the set of Journals thereon.

I see no objection to a Member advancing to the Table when he has caught the Speaker's eye, and, having no desk in front of his seat, it would be inconvenient to speak at length in his place as he would have nowhere to put any papers to which he might desire to refer.

Yours faithfully,

Clerk of the House.

The Honourable The Treasurer.

In compliance with the request of the Honourable the Treasurer the Clerk of the House has the honour to forward herewith the Petition of the Municipality of Kachan which was presented to the House on 16th Oct. 1924, praying for leave to bring in a Semi-Public Bill to grant a further loan to the said Municipality, together with letter dated 27th Sept, 1924 from the Council Clerk, Kachan to Captain Marriott, M. Dear Sir,

I am sending you a copy of a letter which I have received to-day from the Auditor-General in reference to outstanding receipts for Members' payment. I have done my utmost to comply with the Auditor's wishes, but am in the hands of Members. I am aware that it is the want of Revenue Stamps at the moment which causes delay and the matter is subsequently overlooked. Therefore, if it would be of any convenience to you, if you enclose Postage stamps instead I can obtain Revenue stamps and affix them. I endeavour to conduct the business of the House in as pleasant and satisfactory way as is consistent with my duty and I feel sure that I can confidently appeal to you to assist me to meet the wishes of the Auditor-General in this matter.

Dear Sir Walter,

Many thanks for your letter and the two lots of signed receipts for October and November, 1924, and January and February, 1925.

As your son had affixed four penny revenue stamps on three of the four receipts in the one lot, I have been able to take one stamp off each of the three stamped receipts and thus had sufficient stamps for the fourth one. I am therefore returning the three loose stamps you sent me as they are not now required, together with the duplicate set of receipts as that you may destroy them.

I am sorry to have had to trouble you but the Auditor desires to have the receipts sent in promptly.

With kind regards and hoping that Lady Lee and yourself are both very well,

W. R. Alexander, Esq.,
Legislative Assembly,

MELBOURNE.

My dear Sir,

As requested, I am sending you, in separate packet, two copies of our Standing Orders.

I regret to say that we have no Closure Standing Order. When the present Standing Orders were being prepared for the Select Committee in 1912, a Closure Rule was included, which the Committee agreed to and recommended, but the House disagreed to it. Again in 1919 I prepared a Statement on the subject (copy of which I enclose) which Mr. Speaker delivered in the House, and though the Select Committee on that occasion also recommended the same new Standing Order, the opposition to it was so great that it was not pressed in the Committee of the Whole House.

The only Standing Orders we have dealing with Limitation of Debate are Nos. 180 and 185.

Post Office Box 1608M, MELBOURNE.

Dear Sir,

I have to acknowledge the receipt of the Works referred to in your letter of 11th instant.

I am retaining for the Library Kerr's "Law of the Australian Constitution" and enclose Treasury Voucher for £2.0.11, which please sign at the two places marked in pencil as "Claimant" and "Recipient" and return to me, when I will immediately certify the claim and send on to the Treasury for payment and a cheque will be forwarded to you in due course.

With regard to the other Work which you have very kindly sent me on approval "The Australasian Annual Digest, 1924", I have regretfully come to the conclusion that I am not justified in taking it for the Library. The single volume would be but little use, and it would involve also taking previous volumes, the expense of which would not be justified out of our restricted Vote for the Library. I am therefore returning the Volume in separate packet with many thanks for your courtesy in sending it on approval. I was very pleased to meet your representative, Mr. Hale, and much appreciate his straightforward business address. I hope to see him on his future visits to Hobart.

In compliance with your request I am sending you a set of the volumes of our Journals of Parliament, of which you are short, in a case, through Messrs. Straet & Co., Forwarding Agents of this City. I am making arrangements to pay freight and charges here so that the case should be delivered to you free, with the possible exception of cartage at New York.

The volumes are, I fear, rather a mixed lot, but they are the best I can do. Your Institution is on our list, so you ought to receive all future volumes.

Trusting that the case will arrive safely,

Very truly Yours,

Dear Sir,

By direction of the Honourable the Speaker
I have to acknowledge the receipt of your letter of the
26th ult. applying for the position of Clerk-Assistant.

In reply I beg to inform you that the vac-
-ancy has been filled.

Yours faithfully,

The Hon. F. B. Edwards, M.L.C.,

E U R N I E.

My dear Sir,

By direction of the Honourable the Speaker I have to acknowledge the receipt of your letter of 25th inst. on the subject of supplying certain volumes of the Journals of Parliament for the Library of the University.

When I can get line you may be sure that I shall see what I can do to meet your wishes in this matter.

Yours faithfully

Clerk of the House.

Speaker's Room,
House of Assembly,

Hobart, July 2, 1925.

The Honourable

The Chief Secretary.

Sir,

Referring to my interview with the Honourable the Premier and yourself a few days ago on the subject of the Salaries of the Officers of the House I have the honour to set out my views in writing for the convenience of Cabinet.

Mr. Reid, the Clerk of the House, and Mr. McPherson, the Clerk of Papers and Office-Keeper, are experienced and valued Officers, and I desire that the Salary of the Clerk of the House should be increased to £700 per annum and that of the Clerk of Papers and Office-Keeper to £350 per annum from 1st instant for the following reasons:-

1. Because with a new Speaker, a new Chairman of Committees, and a new Clerk-Assistant, their duties and responsibilities will be greatly increased

2. Because in Mr. Reid's case the present Financial Year is the thirtieth year during which he has held the important and responsible position of the Clerk of the House.

3. Because with the appointment of Mr. Murphy as Clerk-Assistant, if my wishes are given effect to, the total cost of the Staff for the present year will be practically the same as last year.

I have, therefore, directed Mr. Reid, in sending in the Estimates of the House for the Year 1925-26 to leave his Salary and that of Mr. McPherson blank, and before leaving Office under the exceptional circumstances I wish to express my strong desire that the Salaries of these two Officers of the House may be fixed at the amounts set forth above.

I have the honour to be,
Sir,
Your obedient Servant.

Speaker.

The Original Voucher was forwarded to Messrs. Butler, McIntyre & Butler together with covering letter on February 19th last. One day last week a Clerk from that firm called and informed me that the Voucher had been lost or mislaid, and so under the circumstances I signed another Voucher taking care to mark it "duplicate", though not in red ink. I much regret, however, that I overlooked making a special report to you as required by Audit Regulation No. 38. I would, however, submit that in the present case as payment of a second Voucher were attempted it would be easily detected in the Treasury as with the payment of the refund there would be no money left to meet a second payment.

My dear Sir,

Replying to the inquiries of Mr. Hayne whose letter you have sent me and which I return herewith, the expenses of a Private Bill brought into this House are as follow:-

Fees of Members of Select Committee on the Bill

£1-5-0 each per sitting.

Shorthand Reporter's Fee, £1-1-0 for each sitting and

Transcription Fee of One Shilling per folio of evidence taken.

Charges under Standing Order No. 295-

On Report of Select Committee £10-10-0

On each hour Committee sits 10-6

In addition there will be the Government Printer's

Claim for printing the Bill and the evidence.

Under the Standing Orders the Promoter has to pay into the Treasury, the sum of One Hundred Pounds and also give a written Guarantee to the Clerk of the House to be responsible for any expenses (if any) over and above the Hundred Pounds.

It is difficult to estimate the cost to the Promoter of a Private Bill, as it depends so largely on the number of sittings of the Committee and the quantity of evidence taken.

The total cost to the Promoter of "The Fur Farming Encouragement Act, 1924 (Private)" was £77-19-0.

If your correspondent wishes to bring in a Private Bill, I shall be pleased to let him have a copy of the Standing Orders of the House, and shall be glad to assist him in any way possible.
