Inquiry starts into \$750 million stadium.

Dear Wendy

You may have heard that **Parliament's powerful Public Accounts [Committee](#) has commenced an inquiry** into the Liberal government's plan to build a \$750 million stadium at Macquarie Point.

Like you, we oppose taxpayer funds being used to construct another stadium in Hobart when there are so many other priority issues facing our state.

Now is your chance to have your views heard by [making a submission](#) to the parliamentary committee.

You can email your submission to pac@parliament.tas.gov.au by no later than Friday the 10th of February 2023. Please note, all submissions will be made publicly available on the Parliament website.

If you're wondering what to write you can use [this template](#) as a guide. You may like to add your own personal or community story of where you think \$750 million could be put to

better use.

Make sure you take this opportunity to let the Parliament know what you think about the proposed \$750 million stadium at Macquarie Point.

Kind regards

Rebecca White MP

Tasmanian Labor Leader
