**PART 2 – IRRIGATION CLAUSES ACT 1973  
AMENDED**

**3. Principal Act**

In this Part, the *Irrigation Clauses Act 1973*\* is referred to as the Principal Act.

**4. Section 2 amended (Interpretation)**

Section 2(1) of the Principal Act is amended as follows:

- (a) by inserting the following definitions after the definition of *corporation*:

***industrial use*** – see section 2A;

***industrial user*** means a person who requires a supply of water for industrial use;

- (b) by inserting the following definition after the definition of *prescribed*:

***relevant water retailer*** means an entity that, as part of the business of the entity, sells, or proposes to sell, water to an industrial user;

**s. 5**

---

**5. Section 2A inserted**

After section 2 of the Principal Act, the  
following section is inserted in Part I:

**2A. Meaning of *industrial use***

(1) In this Act, the following uses of water  
are industrial use:

- (a) using water for industrial  
purposes related to the production  
of hydrogen;
- (b) using water for –
  - (i) fabricating, processing,  
washing, diluting,  
cooling, or transporting, a  
product; or
  - (ii) wastewater treatment  
associated with the  
processes specified in  
subparagraph (i); or
  - (iii) generating electricity for  
use in the processes  
specified in  
subparagraph (i) –

where the supply of that water is  
incidental or auxiliary to the  
supply of water provided for  
industrial purposes related to the  
production of hydrogen.

Water Supply) Act 2023*  
*Act No. of 2023*

s. 5

Part 2 – Irrigation Clauses Act 1973 Amended

---

- (2) In addition to the uses specified under subsection (1), if water is supplied to a water district for industrial purposes related to the production of hydrogen, the Minister may declare, by order, that another use of the water within that water district is an industrial use.
- (3) If an order is made under subsection (2), the Minister must cause a copy of the order to be laid before each House of Parliament within 14 sitting-days of that House after the date on which the order is made, and the order is subject to disallowance under section 47 of the *Acts Interpretation Act 1931* as if it were a regulation.
- (4) For the purposes of this Act, the following uses are not industrial use:
  - (a) the supply or use of water that is principally for irrigation purposes;
  - (b) the supply or use of water that is principally for the generation of hydro-electricity;
  - (c) the supply or use of water by a regulated entity within the meaning of the *Water and Sewerage Industry Act 2008* for the purposes of that Act.

Part 2 – Irrigation Clauses Act 1973 Amended

**s. 6**

---

**6. Section 9 amended (Purchase of water)**

Section 9 of the Principal Act is amended by inserting “, or in relation to a contract entered into under section 24A in relation to industrial use,” after “the special Act”.

**7. Sections 24A and 24B inserted**

After section 24 of the Principal Act, the following sections are inserted in Part III:

**24A. Declaration in relation to supply for industrial use**

- (1) The Minister may, by notice to the undertakers for a water district, declare that the undertakers may supply water for industrial use from the water district, and may vary or revoke, by further notice to the undertakers, such a declaration.
- (2) If an application for a water district has been approved under section 176 of the *Water Management Act 1999*, but no rights have been granted in respect of that district, before a declaration can be made under subsection (1) the Minister must consult with the Tasmanian Farmers and Graziers Association and may take the advice of that association into consideration in relation to making, or refusing to make, a declaration in relation to that district.

s. 7

Part 2 – Irrigation Clauses Act 1973 Amended

---

- (3) If a water district is in operation and rights have been granted in relation to that district, before a declaration can be made under subsection (1) the Minister must consult with each person who owns or holds rights in respect of the water district, and may take the advice of one or more such persons into consideration in relation to making, or refusing to make, a declaration in relation to that district.
- (4) Before a declaration can be made under subsection (1) in relation to a water district, the Minister must consult with the corporation known as TasWater, and may take the advice of TasWater into consideration in relation to making, or refusing to make, a declaration in relation to that district.
- (5) A declaration made under subsection (1) –
  - (a) must only be made if the Minister is of the opinion that the supply of water from the water district for industrial use will not cause detriment to any other right granted, or agreement made, under this Act or the special Act; and

and

- (iii) a condition requiring the undertakers to keep a register, in a form approved by the Minister, of all contracts for the supply of water for industrial use entered into by the undertakers, and to make that register publicly available.

- (6) The Minister is to ensure that a declaration made under subsection (1) is published in the *Gazette*.

**24B. Contract in relation to supply for industrial use**

- (1) The undertakers of a water district may enter into a contract with –

- (a) an industrial user; or

- (b) a relevant water retailer –

in respect of the supply of water for industrial use from the water district.

- (2) A contract entered into under subsection (1) may only be entered into if a declaration has been made in relation to the water district under section 24A(1).

**s. 8**

- 
- (3) A contract entered into under subsection (1) may allow for the supply of water to land outside the water district.
  - (4) For the purposes of providing a supply of water in accordance with a contract entered into under subsection (1), the undertakers may enter onto land and construct works in accordance with Part II.
  - (5) Parts VI and XI do not apply to a person, or land, in relation to which a contract is entered into under subsection (1).
  - (6) Undertakers who have entered into a contract under subsection (1) must not make by-laws, levy rates or charge for water under Part VII in relation to the supply of water under that contract.

**8. Section 25 amended (Distribution of water)**

Section 25 of the Principal Act is amended as follows:

- (a) by inserting “or industrial use” after “for irrigation”;
- (b) by inserting in paragraph (a) “or the industrial users” after “landowners”;
- (c) by inserting the following paragraph after paragraph (a):
