Re: A school community of care and compassion

Dear Committee Secretary,

I was saddened to hear of the high levels of bullying of Australian teenagers, especially in Tasmania. I send my children to a Christian school and am thankful that it has been a safe space for them to learn and grow. Christian schools strive to be communities of care and compassion. Our school works hard to address bullying and has a strong culture of care and compassion for all students. As a parent who has seen the positive impact of a Christian school's caring and nurturing environment on my children, I am appealing to the Committee to ensure that these schools can continue to provide such an environment.

Sincerely,

[REDACTED]
