Laid on the Table by the Attorney-General, September 14, and ordered by the House of Assembly to be printed, September 15.

Hobart, 7th September, 1886.

SIR,

I HAVE the honor to forward herewith the Return ordered by the House of Assembly on the 3rd instant.

I take this opportunity of noting, for the information of the Government, that a great economy of time at each meeting has been effected by the fact that each Member of the Board has been, as far as practicable, supplied some days beforehand with copies of the business to be considered.

In addition to the above meetings, there are two or more daily conferences between the President and the Secretary upon the business of the Board.

I have the honor to be,

Sir,

Your obedient Servant,

The Honorable the Chief Secretary.
