GIRLS' TRAINING SCHOOL REFORMATORY.

REPORT FOR 1896.

Hobart, 18th March, 1897.

SIR,

THE Ladies Committee in presenting their Sixteenth Annual Report, are pleased to say the work of the Institution has gone on steadily throughout the year. We have again this year had to draw heavily on our reserve fund, having so many voluntary inmates, leaving the small sum of £61 16s. 3d. in the bank.

At the beginning of the year there were eleven girls in the Home; six were received, three left, fourteen remaining at the end of the year. Their behaviour on the whole has been good.

Service is still held on Sunday mornings, and classes by ladies for Bible instruction on Saturday evenings and Sunday afternoons.

The girls are employed in washing, housework, cooking, needlework, and receive instruction in reading, writing, and arithmetic.

The amount received by washing is £177 5s.

The Committee desire again to record their appreciation of the Matrons, whose exertions help so much towards the success of the Institution.

I am, Sir,

Yours obediently,

M. WRIGHT, Hon. Sec. G.T.S.R.

To the Honorable the Chief Secretary, Hobart.

GIRLS' REFORMATORY, HOBART, 1896.

REPORT on the Annual Examination.

THE examination was held on the 22nd of December. Number examined, 14, of ages ranging apparently from 12 to 18 years.

There is no regular classification, reading excepted. In this subject and writing the proficiency is far beyond that found in arithmetic. On examination of the girls individually, according to State School standards, the following results were ascertained:—

```
In Reading 3 had reached the Third Class standard.
                                             Second Class standard.
Upper First Class standard.
Lower First Class standard.

                       5
                                  ,,
                                  ,,
         In Writing
                                             Third Class standard.
                                             Second Class standard.
                                             Upper First Class standard.
                                             Lower First Class standard.
       1 had not reached the Lower First Class standard.
In Arithmetic 3 had reached the Second Class standard.
                                             Upper First Class standard.
                                             Lower First Class standard.
                        1 had not reached the Lower First Class standard.
In all three subjects 2 had reached the Second Class Standard.
                                             Upper First Class standard.
                                 ,,
                                             Lower First Class standard.
                       I had not reached the Lower First Class standard.
