No Grants toward the erection of Ministers' Houses have been received by the Wesleyan Church.

The Ministers of the Wesleyan Church are usually removed from their stations every three or four years, so that no regular list of Incumbents can be given in this Return.

The Government Grant of £600 a year is put into "The Wesleyan Church Extension Fund," from which fund the deficiencies of the Salaries of those Ministers who may be placed on Stations not able to support the Minister from the voluntary contributions of our people are paid.

This Fund is also aided by the contributions of our people on the more wealthy stations, such as Hobart Town and Launceston.
