Presented by Mr. Cook, September 20, 1870, and ordered by the House to be printed.

*To the Honorable Members of the House of Assembly, in Parliament assembled.*

The humble Petition of the undersigned Residents of Hobart Town and its vicinity in Public Meeting assembled.

RESPECTFULLY SHOWETH :

THAT in the opinion of your Petitioners the proposed alteration in the Tariff is unjust in its nature, would be highly injurious to the commercial and industrial classes of the Colony, and exceptionally oppressive to a most important section of the community, as represented by Hobart Town and Launceston and their Suburban Districts.

Your Petitioners therefore humbly pray that your Honorable House will not permit the proposed alteration to pass into law.

And your Petitioners will ever pray.
