  - (b) students in training; and
  - (c) volunteer ambulance officers?

  - (a) What are the current shift times in each municipal area; and
  - (b) what is the breakdown of wait times across each shift period in each municipal area?
- (4)
  - (a) What are the on-call arrangements in place in addition to the rostered shifts in each municipal area and how do these arrangements work; and
  - (b) what is the breakdown of the data to identify weekdays as opposed to weekends across each municipal area?
- (5)
  - (a) Are volunteer ambulance officers engaged, or required to support, ambulance officers/paramedics in each municipal area; and
  - (b) if so; when are they engaged or required and how far away from the location of the patient are they called from?
- (6)
  - (a) Are single ambulance officers required to attend call-outs as first responders; and
  - (b) if so, when and why does this occur and how many times in the last 18 months has this occurred in each municipal area?
- (7) Reported by municipal area —
  - (a) what are the levels of overtime reported monthly over the last 18 months; and

(b) if not, why not?
- (2) (a) As per Question Without Notice answer received on 10 November 2020, advising that Insync were sourced as a part of a quotation process by the Tasmanian Health Service, were any Tasmanian firms approached to quote for this \$12,911 (excl. GST) contract; and  
(b) if not, why not?
- (3) (a) Why has the Government indicated that the only alternative to engaging an interstate firm for this service would be to ask Emergency Department staff to conduct a survey, rather than exploring the possibility of engaging a Tasmanian-based service; and  
(b) is this how procurement practices are approached more generally?
- (4) Can Tasmanian businesses and service-providers have confidence going forward that they will be considered for Tasmanian Government, Department and Agency service provision?
- (5) Will the Government guarantee that Tasmanian-based businesses will be approached in the first instance for procurement of goods and services and that all efforts will be made to work with them to provide such opportunities?
