Committee Secretary,
Legislative Council,
Parliament House
Hobart. 7000

Dear Sir,

I understand that there are no provisions for signs to be removed following a council election within the existing Act.

I attach 2 photos taken by me on 14th February 2015 following elections in October 2014.

If this is correct the Act should be amended so that this thoughtless action on the part of 2 individuals can be corrected.

Yours faithfully,

John Packham.
