Dear Committee Secretary

I write to outline my opposition to the proposed \$750 million stadium at Macquarie Point, as much as I have always been for a TASMANIAN team, it should have been established 20 years ago.

We do not need a new stadium we have 2 perfectly good stadiums in Tasmania. Launceston and Hobart.

These can both support the crowds expected, as the Hawthorne and North Melbourne matches have not been filled to full capacity at any of these matches. So it's necessary to keep both stadiums and go between the both for new matches for our own TASMANIAN team!

\$\$\$\$\$750 million needs to be spent on our hospitals, emergency services and housing for All the homeless families in Tasmania.

TASMANIA IS IN ENOUGH DEBT!

As a taxpayer I object to public funding going towards this project when thousands of Tasmanians can't get a home, more than 55,000 Tasmanians are on the health waiting list to see a specialist and the cost of living is making life harder for more and more Tasmanians.

The AFL shouldn't be making Tasmanians pay for a new roofed stadium to have our own Tasmanian team. No other state has been made to do this. Tasmanians have not been consulted on the chosen site and I DO NOT support the decision made by the government.

The government has not presented a business case that outlines the merits of this project or explained why our state should be burdened with further debt when the state already has two AFL standard stadiums, one in the north and one in the south that will now go to waste. **THAT WILL NOT HAPPEN THEY WILL BE USED INSTEAD OF THE WASTE OF MONEY!!**

Another stadium is the wrong priority for our state.

Kind regards

T. B, [REDACTED]
