---

I oppose the construction of a stadium at Macquarie Point for the following reasons.

- 1 The stadium is inextricably linked to having a team in the AFL
- 2 There are not enough top line players or coaches for the present 18 teams.
- 3 As a result the last to teams admitted to the league have not been competitive.
- 4 A Tassie team in the AFL would require at least 30 to 40 top line players and a top lines coach.
- 5 Neither of these are available.
- 6 If a Tassie team was admitted to the AFL it would be very second rate.
- 7 Why do we want to spend hundreds of millions of dollars on a team that would be unmercifully flogged, week in and week out.
