

Veterans and Public Housing Availability

Ms BROWN question to MINISTER for HOUSING and PLANNING

It was great to see you at the Vinnies Homelessness Awareness Breakfast this morning. It was good to hear you mention veterans in your speech.

Recently, I wrote to you regarding Andreas Schrutier, a veteran in my electorate who has been waiting 178 weeks on the housing waitlist and is on the verge of homelessness. I have not received a response from you. What is your plan for Andreas and our other brave veterans?
