**INQUIRY INTO TASMANIA POLICE RESPONSES TO ALLEGATIONS OF OFFICER MISCONDUCT**

**Wednesday, 24 June 2026**

The Standing Committee on Government Administration B has resolved to conduct an inquiry into Tasmania Police responses to allegations of officer misconduct, with reference to the following:-

- 1) The adequacy of systems, processes and oversight arrangements for responding to allegations of serious misconduct within Tasmania Police, including sexual misconduct and family violence;
- 2) The culture of Tasmania Police in relation to matters or allegations of misconduct;
- 3) The response from Tasmania Police and the Tasmanian Government to the Paul Reynolds matter – including the limited scope of inquiry into his conduct prior to the Weiss Review, and the decision to hold a police funeral; and
- 4) Any other related matters.

The Committee has commenced work on this inquiry and will provide more information about the timeline and consultation process in due course.

In conducting this inquiry, the Committee is committed to a trauma-informed approach at all times, and it is the Committee's intention to consult with expert stakeholder organisations prior to and throughout the inquiry to ensure this occurs.
