THOS. V. JEAN, *Assistant Treasurer.*

Colonial Treasury, 5th September, 1862.

NOTE.—This Return has necessarily occupied much time in its preparation, owing to its being necessary in the first instance to go over every item of payment for twelve months, Advertising and Printing being distributed over many heads of Service in the Accounts. Reference had then to be made to the Audit Office for a very large number of Vouchers, and to other Departments for information called for, which could not be supplied by the Treasury. These are causes which have led to the delay in furnishing the Return, in connection with the pressure of other work in the Treasury and Audit Department.

THOS. V. JEAN.
