GAOLS AND HOUSES OF CORRECTION,
HOBART AND LAUNCESTON :

REPORT FOR 1882. .

Laid upon the Table by the Premier, and ordered by the House to be printed,
July 24, 1883.

Gaol and Penal Establishment, Hobart, 10th May, 1883.

SIR,

I HAVE the honor to submit herewith the Annual Returns required from this Establishment for the year 1882 ; and in doing so I beg leave to offer a few remarks ; viz.—

1st.—The average daily strength for 1882 was 155, as against 159 for 1881. It will be observed that there is a gradual decrease of Superior Court prisoners, and an increase from the Inferior Court, these being principally for drunkenness ; as, for instance, in 1881 there were convicted of this class 78, and in 1882, 118.

2nd.—During the last seven years 295 prisoners tried at the Supreme Courts have been discharged to freedom ; out of this number 8 have been re-committed.

3rd.—The cost per head is Three shillings less than last year.

The Cash payments for labour, &c., for 1882, £2363 9s. 8d., as against £2211 9s. 3d. for 1881.

A footnote in No. 1 Return is made, showing the value of labour where no credit is taken. For instance, where a party of men were employed in Park-street during the year, thus incurring an actual money expense of 5s. per diem for an overseer, saying nothing as to the labour, as also the trenching of ground in the Domain for tree-planting, grubbing, and removing decayed trees, &c., cleaning out culverts, drains, &c., Domain road, &c.

The Returns will, I trust, afford all the information required.

I have the honor to be,

Sir,

Your obedient Servant,

R. A. ATKINS, *Superintendent.*

The Sheriff.

Officers.—The Officers have discharged their duties to my satisfaction. The Overseer of the Public Works' Gang, one Warder, three Constables, and one Female Warder resigned, and the Clerk retired on his pension.

Number of Prisoners, &c.—On the 1st January, 1882, there remained 106 Prisoners (male and female), Female Invalids, and Children; there were received during the year 885, or a total of 991, being 44 more than last year, and 13 less than the number of 1880. The strength on 31st December was 104. The daily average strength was 114, as against 120 for 1881.

Juvenile Offenders.—These numbered 36 of both sexes under 15 years, a decrease of 5 on the former year. Of offenders between 15 and 25 years, 168 were received, as against 195.

Supreme Court Sessions.—Six Sessions of the Criminal Court (4 Supreme and 2 Recorder's) were held during the year. Forty-five Prisoners were arraigned, 22 of whom were convicted, 18 discharged, and 5 remanded till Sessions to be held in the current year. One Prisoner was convicted of wilful murder, and executed on 10th July.

Prisoners transferred.—Nine Male and 1 Female Prisoners to Hobart to undergo sentences passed by Supreme Court; 1 Male Prisoner transferred to undergo sentence passed by Inferior Courts. Three Male Prisoners were transferred to Hospital for Insane, New Norfolk. Two Male Prisoners were transferred hence from Hobart, their services being required in the shoemakers' shop.

Conduct of Prisoners.—Their conduct has been very satisfactory; only 9 (6 males and 3 females) were punished for breaches of discipline.

Escapes.—None.

Health and Mortality.—The average health was good, there being no sickness of an epidemic character. The applications to see the Medical Officer, 188, were nearly all of a trivial character, the majority being old Invalids. Ten deaths, 5 males and 5 females, occurred during the year (including that of the prisoner who was executed.)

Classification.—Very defective.

Cost of Establishment.—The gross expenditure for the year amounted to £3190 15s. 8d. The net, £2466 16s. 7d. The annual cost per head being £28 15s., and £22 4s. 6d. respectively. The increased cost per head as compared with former years is attributable to the very large number of non-effective prisoners maintained during the year. The item of Labour performed for other departments, £554 14s., is a fair credit, based upon estimates of the Overseer of Public Works, &c. I would point out that this Establishment should be credited with the value of this labour; at present I only credit myself nominally with the amount.

I append extract from Visiting Justices' Minute Book.

I have, &c.,

JOHN SWAN, *Esq.*, *Sheriff*.

A. JONES, *Superintendent.*

EXTRACT from Visiting Justices' Minute Book.

WE have this day visited the whole of this Establishment, and find it perfectly clean and in good order considering the material at command ; but we cannot refrain from reiterating our former statement made in our report of the Gaol,—that it requires demolition, and a good building in some other locality ; but we otherwise bear testimony to the great care, supervision, ability, kindness, and courtesy at all times shown us by the Superintendent, Mr. Jones, for whom we at all times shall entertain a great respect.

(Signed)

WILLIAM MASON, *J.P.*
