W. LOVETT, Colonial Auditor.

W. R. GIBLIN, Colonial Treasurer.

Audit Office, 30th June, 1881.

SIR,

THE Annual Accounts of the Consolidated Revenue for the year 1880 having been examined, were certified in the usual manner, and returned to you a few days since. I have the honor to forward my report thereon in accordance with Section 4 of "The Audit Act, No. 3."

Revenue.—The Revenue proper for the year 1880, received to 31 May, reached the sum of £433,473 8s. 5d., adding £3684 18s. 4d., estimated to be received on account of the year, a total of £438,158 6s. 9d. is arrived at, which compares very favourably with the Revenue of 1879, showing an increase of £71,870 15s. 8d.; part of this increase has been derived from Excise and Real and Personal Estate Duties,—the new sources of Revenue provided by the Legislature,—viz., £42,730 12s. 2d.; leaving, however, a satisfactory increase upon the former sources of £29,140 3s. 6d. The increase and decrease under each head of Revenue are given in the following Statement:—

Expenditure.—The known expenditure chargeable to Consolidated Revenue for the year 1880 amounts to £412,337 15s. 7d.; viz.—

	£ s. d.
Ordinary Expenditure to 31st December, 1880	350,123 16 7
Reserves under Waste Lands Act	15,594 4 1
Treasury Bills redeemed	7000 0 0
Ordinary Expenditure of 1880 from 1st January to 31st May, 1881..	39,476 2 10
	<u>£412,194 3 6</u>

Adding the sum of £5000, estimated to be still outstanding, the Expenditure will exceed that of 1879 by about £3000.

I append as usual a Return (A.) of amounts authorised by the Governor in Council under Section 19 of the Regulations under the Audit Act, included in the above figures. It is satisfactory to notice that the number of cases of emergency excesses is much less in the year under review than during 1879. A few small items of special expenditure, most of which were referred to in last Report, have not yet been provided for, the list of which is added.

Debt of Colony.—The Debt is stated in the Balance Sheet at £1,891,000. As explained in former Reports this item is the amount of Debentures and Treasury Bills outstanding on 31st December of the year of account; the actual Debt is given in the statement below, which, however, excludes Treasury Bills £171,300, and Debentures due but not presented as far as was known on 31st December, the London Bank amounts not having been received:—

Permanent Debt.	£ s. d.
Debentures issued and outstanding	1,653,800 0 0
Debentures authorised but not issued	306,100 0 0
	<u>1,959,900 0 0</u>

	<u>1,817,200 0 0</u>
Debentures, 34 Vict. No. 10, redeemable from Reserves under Sections 19 and 29 of "The Waste Lands Act"	*41,700 0 0
Debentures, 31 Vict. No. 1, and 37 Vict. No. 22, redeemable from Sinking Fund under "Local Public Works Act" (repealed in 1878)	†41,700 0 0
Debentures 34 Vict. No. 37, redeemable from Sinking Fund under "Cemeteries Act"	‡8000 0 0
	<u>£1,894,000 0 0</u>

* Amount of Reserves, £46,979 19s. 8d.

† Amount of Fund, £410 10s. 8d.

‡ No credit to this Fund.

The matter referred to in my Reports for several years past of the failure to fulfil the conditions under which certain Debentures were issued is of sufficient importance to warrant me in again calling attention thereto.

The funds available for the redemption of Debentures have increased from £40,133 13s. 4d. in 1879 to £50,332 9s. 4d. in 1880; viz.—

	£	s.	d.
Reserve under Waste Lands Act	46,979	19	8
Sinking Fund under Local Public Works Act	410	10	8
Reserve Fund redemption of Debentures.....	2941	19	0
	<u>£50,332</u>	<u>9</u>	<u>4</u>

I hope Parliament will consider it desirable that the evident intention and obligation under which these Funds were established should be secured, and for that purpose pass some such measure as that suggested in my letter of 9th July, 1880, during the present Session.

Loans under Special Acts.—The two loans of £1000 and £700 to the Tarleton Road Trust and Promoters of the Penguin Breakwater respectively stand precisely in the same position as when reported upon in 1880.

Act 43 Vict. No. 19 authorises the construction of certain Public Works out of the money provided by Parliament for the purpose of repaying the Colonial Treasurer the sums specified, amounting in all to £34,878 2s. 8d.

Although it was clearly intended that the amount should be covered by loan, and a Bill for that purpose was passed by the House of Assembly, the measure has not yet passed into law.

Acting upon the authority given or implied in Act 43 Vict. No. 19, the Treasury has relieved the Consolidated Revenue of certain charges specified in the Act, amounting to £25,423 8s. 6d., and debited that amount to an account called "The Public Works Appropriation Act, 43 Vict. No. 19;" but other items for a considerable amount, named in the Act and standing at present to the Suspense Accounts, have not been so dealt with. Amongst the former is a sum for £20,800 "to make good the amount paid and payable by Colonial Treasurer under 41 Vict. No. 6," of which it is desirable to offer some explanation. This sum is made up of £6200 authorised to be expended under the Public Works Construction Act of 1877, and to be paid out of the Consolidated Revenue, of £11,300 under the Public Works Execution Act of 1876, also authorised to be paid out of the Consolidated Revenue, and of £3300. excess of expenditure on the works authorised under the latter Act. In 1877 Treasury Bills for £20,800 were authorised to recoup the Treasurer for this expenditure, upon the understanding that the Bills would be redeemed out of the Consolidated Revenue by instalments extending over a period of three years; and the last instalment was paid in 1880. It would therefore appear that by passing the Act 43 Vict. No. 19, appropriating the amount in a different manner, that Parliament intended to provide this, with the other amounts named in the Act, by a Loan Act; and it is very desirable that such provision should be made during the coming Session.

Pastoral Leases.—I addressed you on the 17th March, 1880, with regard to the large number of yearly and half-yearly rentals of Crown lands which appeared by the Treasury Rent Rolls to be in default; and my communication was referred to the Honorable the Minister of Lands and Works for explanation; but, although several letters have passed on the subject, no satisfactory reply has been afforded.

It appears by the Rent Rolls that numerous cases of default have been allowed (extending in some cases over several years) without any reasonable attempt to recover: for, in answer to enquiry, the Deputy Commissioner of Crown Lands states that—"The universal practice of the Department with regard to rentals of land has been, on receipt of returns of defaulters from the Colonial Treasury, for the Deputy Commissioner of Crown Lands to give notice to the lessee to the effect that he has been returned a defaulter in the payment of his rent; and that if the money is not at once forwarded to the Colonial Treasury the lot will be advertised for rental on the next Leasing Sale. The runs are not declared forfeited, but are dealt with as above. No proceedings at law have ever been taken for the recovery of rent of crown lands."

Upon enquiry made as to whether instructions had been issued to Crown Bailiffs to take action under Section 89 of 34 Vict. No. 10, and why legal proceedings had never been taken in default cases, the following reply, after a delay of six weeks, was received:—"These papers are with the Honorable the Minister of Lands and Works, who is framing a reply to the Colonial Auditor; in all probability it will reach him to-morrow, 14th October, 1880;" but, although several reminders have been sent, no further reply has been received at this office.

It is peremptorily necessary that more stringent measures should be adopted by the Survey Department for the recovery of crown rents in default: for, under the present lax arrangements, there is good reason to believe that loss to the Revenue of many thousands of pounds has occurred; and it can be shown that it is possible for certain leaseholders to systematically evade payment of rents due to the Revenue on their holdings. The Waste Lands Act appears to afford sufficient remedy in dealing with defaulters; but, supposing it does not, surely the Survey Department could prevent such a system as the following:—A certain person takes up a pastoral lot at the Auction Sale, the rent of which (payable half-yearly) is considerable. He pays the one half-year's rent required to secure the lease, but for two years afterwards

pays no further rent. The lot is then declared forfeited by the Survey Department, put up for sale, and the same individual again pays half a year's rent for the same lot. It is hardly necessary that I should say more to prove the absurdity of the present arrangements, and the want of a thorough change therein.

Municipal Accounts.—The accounts of thirteen Municipalities have been audited; those for Bothwell, Brighton, Hamilton, and Sorell are under examination; those for New Norfolk and Outlands have not yet been received.

Road and Bridge Trust Accounts.—There are now eighty-four Road and Bridge Trusts, the accounts of seventy-seven of which have been duly examined and passed, two are under examination, and five have failed as yet to send their accounts. These are as follows:—Hamilton, Lake River, Portland, South Arm, Upper Derwent.

Under Section 18 of the Cross and Bye Roads Act the annual election of Trustees of a Road District should be held in April, and under Section 144 the accounts of the Trust must be published in the *Gazette* before the meeting can be held for such election. As the Road Trusts year of account closes on 28th February it seldom happens that the accounts can be prepared much before the 31st March, leaving scarcely a fortnight for audit. It is therefore impossible that the whole of the accounts which have now to be audited by this office can be examined in the period allowed; therefore a difficulty frequently arises from this cause. It is true that under Section 20 of the Act an extension of time for the meeting of Trustees may be granted by the Governor in Council; but it is worthy of consideration whether it is not desirable to extend the time for holding the election meetings by legal enactment.

Main Roads Act.—Of forty-two Main Road Boards twenty-four have forwarded their annual accounts, nearly all of which have been examined by this office. Twelve Local Boards have ceased to act, and their functions have been taken up by the Commissioner of Main Roads in accordance with the provisions of the Act; and six Boards have as yet failed to send in their accounts; viz.—Harford and Templeton, Latrobe, Port Cygnet, Portland, Sorell, West Mersey.

Tasmanian Main Line Railway.—The audit of the accounts of this Railway, which is now also performed by this Department, has been completed to 31st March last, and special reports have been forwarded to you thereon up to 31st December, 1880.

Marine Boards.—The Marine Board accounts have been received and audited, excepting two under examination, nearly completed.

Letters and Queries not satisfied.—To several Letters and Queries detailed in Appendix B replies have not been received, or when received have not been considered satisfactory, and re-submitted, to which early attention is solicited.

I have the honor to be,
Sir,

Your obedient Servant,

W. LOVETT, Colonial Auditor.

The Hon. the Colonial Treasurer.
