ANNUAL REPORT of the TASMANIAN COUNCIL OF EDUCATION for the Year 1873-74.

To His Excellency CHARLES DU CANE, Esquire, Governor and Commander-in-Chief in and over the Island of Tasmania and its Dependencies.

MAY IT PLEASE YOUR EXCELLENCY.

1. In conformity with the provisions of "The Tasmanian Council of Education and Scholarship Act," we have the honor to submit this our Fourteenth Report embracing the proceedings of the Council between the 1st May, 1873, and the 30th April, 1874. 22 Vict. No. 21, Section 30.

2. His Honor Mr. Justice Dobson was re-elected President for the year ending 30th June, 1874. President.

3. We caused an Examination of Candidates for the Council of Education Exhibitions to be held in the month of June, 1873. Fourteen Students presented themselves for examination; and, on the recommendation of the Examiners, Exhibitions of the value of £20 each were awarded to Francis William Streanshall Allison, pupil of Mr. R. Leach, Launceston, and John George Lindsay, pupil of Rev. W. H. Savigny, M.A., Church Grammar School, Launceston. Of the remaining twelve, seven obtained a standard of marks sufficient to entitle them to an Exhibition, and five were entitled to the honorable mention of their names. Council of Education Exhibitions, Gazette Notice, 24 June, 1873.

The Examiners in closing their Report on the Examination observe:—

"The results of the Examination will bear favourable comparison with those of former years. A larger number of boys than last year or the year previous offered themselves for examination, and more Schools are represented. We also observe with satisfaction that six of the competitors have already been distinguished at former public Examinations, having been awarded Exhibitions by the Board of Education, and that four of these are the four first in the annexed Table. The Candidates generally have acquitted themselves very well; and several others, besides the two recommended for Exhibitions, have shown proofs of great industry, perseverance, and careful training, as well as of good natural ability."

4. The Fourteenth Examination for the Degree of Associate of Arts was held in September, 1873; M. H. Irving, Esq., M.A., Head Master of Wesley College, Melbourne, being the Examiner in English, Latin, Greek, French, Pure Mathematics, and Natural Philosophy; the Rev. R. D. Poulett Harris, M.A., Examiner in German; H. M. Andrew, Esq., M.A., Examiner in Chemistry; and J. Summers, Esq., Mus. Bac., Examiner in Music. Fourteen Candidates, including two Females, presented themselves; twelve passed the Preliminary Examination and ten succeeded in obtaining the Degree, four being placed in the First Class, one in the Second Class, and five, including one Female, in the Third Class. One of the successful Candidates was examined at Launceston under supervision sanctioned by the Council. Degree of A.A., Gazette Notice, 30 September, 1873.

5. Two other Candidates, one Male and one Female, obtained a second Class, but being above the age of 19 years were included in a Special List. Special Class List, Degree of A.A.

6. Arthur Pitcairn Canaway, as the Senior Associate of the year, received the Council's Gold Medal, a First Prize of the value of £10 for English, Prizes of the value of £5 each for Natural Philosophy and Chemistry, and Second Prizes of the value of £5 each for Latin, Greek, French, and Mathematics. To Alfred Doran, who was placed in the First Class, were awarded three First Prizes of the value of £10 each

in Latin, Greek, and French. To Charles James Pike, who was also placed in the First Class, was awarded the First Prize of the value of £10 for Mathematics.

To Clara Martha Dowdell, who was placed in the Third Class, was awarded a Prize of the value of £5 as Senior Female Associate of the year.

The Examiners in closing their Report observe :—

“The following Table shows how this Examination stands as compared with past years :—

	No. of Candidates.	Rejected at Pre- liminary.	Admitted to A.A. Examination.	Passed.	First Classes.	Second Classes.	Third Classes.	Average of highest Marks obtained.	Average of all who passed.	Highest Marks yet gained.	Highest average yet reached.
										1871.	
1860-1871	114	13	91	84	40	19	25	2637	2095	3303	2430
1872	11	0	11	9	3	1	5	2821	2075		
1873	14	2	12	10	4	1	5	3295	2228		

On the whole, therefore, the Examination closed must be accounted satisfactory ; and the Council will, doubtless, be glad to observe that under precisely similar conditions as to papers set and the valuing of answers, two out of the three female Candidates of the year have succeeded in obtaining fair places in the Class Lists. That their standard should, for the present at least, be fixed a trifle below that for male Candidates is certainly not inequitable. It is not now lower than that with which the Associates of 1860 started : and doubtless, as now in Victoria, here also the female Candidates will soon be able to ask only ‘a fair field and no favour.’”
