

TASMANIA

HOUSE OF ASSEMBLY

SESSION OF 2021

(FIRST SESSION OF THE FIFTIETH PARLIAMENT)

NOTICES OF MOTION AND ORDERS OF THE DAY

No. 22

WEDNESDAY, 10 NOVEMBER 2021

(At 10:00 o'clock a.m.)

Notices of Motion tabled prior to 28 October are published at:

Notices of Motion

54 Ms O'Byrne to move—That the House:—

(1) Notes:—

- (a) with concern plans by the Flinders Island Bureau of Meteorology to reduce its 24 hour service to the Island Terminal Aerodrome to a 12 hour (daylight saving) service;
- (b) that the Island's remote geographical location combined with frequent rapidly changing adverse weather, places the Island at some vulnerability in relation to accurate forecasting;
- (c) that this decision has caused significant concern to the local community, aviation services and to the local fishing industry;
- (d) it may have impact on the availability of aero-medical retrievals and for rescue services, in particular to the deployment of roto wing search and rescue aircraft; and
- (e) it is unlikely to produce significant cost savings to the Bureau.

(2) Calls upon the Tasmanian Government to make urgent representations to their Federal counterparts to reverse this decision. (28 October 2021)

55 Mr Tucker to move—That the House:—

(1) Notes that:—

- (a) COVID-19 has been one of the greatest health, social and economic challenges Tasmanians have faced;
- (b) the Government's number one priority is to keep Tasmanians safe and secure;
- (c) on 22 October 2021, the Government announced its 'Reconnecting Tasmania' plan to safely re-open our Borders on 15 December 2021, based on advice from public health, the State health Commander, the State Controller and relevant agencies;
- (d) based on the Tasmania-specific modelling from the Kirby Institute, the Government is confident that we can open our Borders and manage COVID-19 safely, including within our health system;
- (e) the Government's 'Reconnecting Tasmania' plan allows Tasmania to re-open our Borders, while ensuring we have the health and safety nets in place to keep on top of COVID-19;
- (f) by retaining baseline community health, hygiene, tracking and tracing protocols, coupled with COVID-safety business plans, and a well-resourced and prepared health system, we can re-open our Borders safely and sensibly;

NOTICES OF MOTION AND ORDERS

- (g) between now and 15 December 2021, vaccination remains the priority with more than 90% of Tasmanians aged 16 years and older having had at least one dose and nearly 80% fully vaccinated; and
 - (h) by 15 December 2021, the Government is confident that everyone above the age of 12 in Tasmania will have had the opportunity to be vaccinated.
- (2) Endorses the Government's 'Reconnecting Tasmania' plan. (9 November 2021)

56 Ms Dow to move—That the House:—

- (1) Acknowledges that:—
 - (a) the Tasmanian Government released its Roadmap to Reopen, 'Reconnecting Tasmania: our safe border reopening plan', on 22 October 2021;
 - (b) the Tasmanian Government has set the date the 15 December 2021 for reopening Tasmania's borders; and
 - (c) the Tasmanian Government's Kirby Institute modelling outlines a range of scenarios including forecasting the State can expect tens of thousands of cases in the first 200 days.
- (2) Notes that:—
 - (a) people right across the State have raised concerns about the health systems ability to cope with a COVID outbreak;
 - (b) recent health dashboard data highlights current demand is not being met across the health system;
 - (c) four out of five people presenting to the Royal Hobart Hospital ED (Emergency Department) and 60 per cent of people presenting to the Launceston General Hospital ED are not seen within clinically recommended timeframes; and
 - (d) 10,776 Tasmanians are on the elective surgery wait list.
- (3) Further notes that Tasmanians, no matter where they live, should have every opportunity to be double vaccinated before 15 December 2021.
- (4) Calls on the Premier, Hon Peter Gutwein MP to:—
 - (a) table the report and modelling on surge capacity which informs the Government's hospital preparedness plan;
 - (b) table the report and modelling on surge capacity which informs the Government's community health preparedness plan; and
 - (c) provide a Ministerial Statement to Parliament on the COVID@Home program and how this service will be provided across our communities. (9 November 2021)

57 Ms O'Byrne to move—That the House:—

- (1) Congratulates the five TasTAFE trained apprentices and former apprentices that won medals, including three gold medals, at Australia's biggest vocational skills competition.
- (2) Notes that the WorldSkills Australia National Championships sees vocationally-trained competitors compete against their industry peers from around the country in practical skills challenges across a range of industry areas.
- (3) Acknowledges that:—
 - (a) Team Tasmania competed across eight categories and that all medallists and team members were trained at TasTAFE as well as in their workplaces, and TasTAFE teachers also acted as mentors and national judges for the competitions;
 - (b) acknowledges TasTAFE has above national average satisfaction rates and the highest completion rates; and
 - (c) acknowledges in recent times TasTAFE students have won National Apprentice of the Year and Vocational Student of the Year awards.
- (4) Accepts the Liberal Government doesn't understand the public provision of structured, high quality, industry accredited training.
- (5) Condemns the Liberal Government for its misguided reform to devalue and de-skill the public provider of skills and training. (9 November 2021)
