Notices of Motion

46 Ms *Finlay* to move—That the House:—

- (1) Acknowledges that:—
 - (a) Tasmanian farmers and producers have contributed more than \$2 billion annually to the State in gross farm gate value; and
 - (b) prime agricultural land has been developed around existing TasNetwork's infrastructure for decades, including shelterbelts, dairies, wool sheds and irrigation infrastructure.
- (2) Notes:—
 - (a) TasNetworks has proposed it will decommission existing transmission line infrastructure once the North-West line has been upgraded so that Tasmania can supply electricity to the national grid through Marinus Link;
 - (b) the upgrade of the transmission line infrastructure proposed by TasNetworks is creating stress and anxiety for many primary producers who are trying to plan for their futures; and
 - (c) that farmers should be compensated fairly by TasNetworks for the disruption any upgrades to existing infrastructure will have on a primary producer's business, land and biosecurity.
- (3) Calls on the Premier, Hon Jeremy Rockliff, MP to:—
 - (a) clearly outline and reassure primary producers that ~~he~~ and the Minister for Primary Industries and Water, Hon. Jo Palmer, MLC are acting in their best interest;
 - (b) give primary producers assurances the Government will act to ensure that contemporary contracts are used to provide ongoing compensation. The compensation should take into account, as an example, the value of the land, the productivity of the land and the number of towers on the land; and
 - (c) protect prime agricultural land so that our primary producers can continue to positively contribute to the State Government's vision of a \$10 billion industry by 2050. (18 October 2022)

47 Ms *Dow* to move—That the House:—

- (1) Notes that:—
 - (a) Tasmania has had a part time Health Minister for six months;
 - (b) Tasmanian patients are paying the price and health records are being broken for all the wrong reasons;
 - (c) recent health dashboard data reveals that at the Emergency Department at the Royal Hobart Hospital just 40 per cent of patients were seen within four hours – its worst ever result and nowhere near the 90 percent promised by the Liberal Government in 2018;

NOTICES OF MOTION AND ORDERS

- (d) the Emergency Department at the Launceston General Hospital recorded its worst ever result with just 41 per cent of patients seen within four hours;
 - (e) median ambulance response times last month reached the unprecedented and unwanted milestone of 15 minutes; and
 - (f) waiting lists to see a Specialist have more than doubled across Tasmania's four major hospitals since the Liberal Government came to power.
- (2) Acknowledges:—
- (a) Specialist wait times have increased 145 per cent at the North West Regional Hospital and 170 per cent at the Launceston General Hospital; and
 - (b) EDs, ambulances and specialist appointments are some of the most basic parts of our health system, and under the Premier, Hon. Jeremy Rockliff, MP's part-time leadership they're all going from bad to worse.
- (3) Calls on Premier Jeremy Rockliff to get his priorities right, keep his promises and appoint a full time Health Minister. (18 October 2022)

48 Ms O'Connor to move—That the House:—

- (1) Understands Tasmanian ambulance response times are the worst in the nation due to under resourcing and unsustainable pressure.
- (2) Notes:—
- (a) every year thousands of Tasmanians are waiting in pain on the elective surgery waitlist for months or years longer than medically recommended; and
 - (b) more than 4,400 people are on the Housing Tasmania waitlist, rents are soaring and homelessness is increasing.
- (3) Agrees that while Tasmania deserves its own AFL team, that bid should not be connected to a new stadium.
- (4) Acknowledges Tasmania has two stadiums, Bellerive Oval and York Park, that are fit for purpose and currently, successfully hosting AFL and AFLW games.
- (5) Condemns:—
- (a) the Rockliff Government for choosing to spend more than \$350 million in public funding on an unnecessary mega-stadium, over Tasmanians in need; and
 - (b) the Liberals for minimising the planned Truth and Reconciliation Art Park - which would acknowledge 40,000 years of Tasmanian Aboriginal culture and the atrocities of colonisation.
- (6) Further acknowledges with shame the Liberals' stadium plan also requires massive Federal Government funding.
- (7) Calls on the Labor Opposition to step up, put its money where its mouth is, and lobby the Albanese Government not to fund the Rockliff Liberals' mega-stadium folly. (18 October 2022)

49 Ms White to move—That the House:—

- (1) Expresses its sincere gratitude to all the emergency service workers, volunteers and members of the public who worked tirelessly to protect the northern Tasmanian community during the recent major flood event.
- (2) Acknowledges the significant damage that has occurred to public and private property with devastating impacts on social and community infrastructure.
- (3) Commends the efforts of countless community members, emergency service workers and volunteers who have worked tirelessly since the flood waters started to recede in the massive clean-up effort underway.
- (4) Recognises the growing regularity of extreme weather events and the need to work proactively across our State to help protect our community from the worst impacts.
- (5) Understands that the impact of the floods on some parts of our community will take some time to recover from and will require ongoing support and assistance.
- (6) Commits to support all individuals, businesses and communities affected by the floods to rebuild and recover as quickly as possible. (18 October 2022)

NOTICES OF MOTION AND ORDERS

- 50** Ms *Johnston* to move—That the House:—
- (1) Agrees that:—
 - (a) a fair criminal trial must be conducted in accordance with the rule of law and our international human rights obligations;
 - (b) the integrity of the trial process is an essential pre-condition for any finding of guilt against an accused; and
 - (c) both Tasmania Police and the Office of Director of Public Prosecutions has a critical role in ensuring integrity and confidence in the criminal justice system before, during and after trial.
 - (2) Acknowledges that:—
 - (a) sadly wrongful convictions will occur from time to time in all criminal justice systems; and
 - (b) where wrongful convictions have occurred in many Australian jurisdictions a common response from public authorities has been denial, delay and obfuscation.
 - (3) Further agrees:—
 - (a) as a matter of legal principle that the Crown has a duty of disclosure to the Court with regard to false or misleading evidence, or incorrect submissions that extends to an obligation to make inquiries to ascertain if such disclosable material exists, and that duty extends beyond the trial into both the appeal and post-appeal periods; and
 - (b) that the Parliament has the ultimate responsibility to make laws and to ensure that the law is effectively and fairly applied to all citizens. (18 October 2022)
