Notices of Motion

348 Ms Standen to move—That the House:—

- (1) Notes that we have an estimated 26,000 temporary visa holders residing in Tasmania, who are ineligible for Commonwealth income support.
- (2) Further notes that due to the coronavirus pandemic a significant number of temporary visa holders in Tasmania lost their jobs, and particularly young people and workers in tourism, retail and education sectors were disproportionately affected, experiencing hardship and income loss and in many cases have exhausted their savings.
- (3) Acknowledges on 22 April 2020 the Gutwein Liberal Government announced a COVID-19 support package for temporary visa holders experiencing financial hardship due to the coronavirus pandemic, including extending the eligibility for Pandemic Isolation Assistance Grants providing a one-off payment of \$250 per individual or up to \$1,000 per family.
- (4) Recognises that while this was a welcome contribution, one-off funding assistance provided at most one to two weeks' rent and food relief to eligible households.
- (5) Further notes the Premier, Hon. Peter Gutwein MP, promised up to \$3 million for his Government to work with industry sectors and employers to retain temporary visa holder employees because of their specialist skills so that we don't lose skilled workers.
- (6) Calls on the Liberal Government to report on how many temporary visa holder employees and households have been supported through these measures.
- (7) Further calls on the Liberal Government to urgently consult with stakeholders to understand what additional support is required by temporary workers and international students to ensure they do not fall through the gaps. (16 September 2020)

349 The Minister for Local Government to move—That the House:—

- (1) Acknowledge the critical role the Local Government sector plays in supporting our communities through local representation, service delivery and planning that supports jobs and development.
- (2) Recognises that Councils will play a key role supporting recovery from the COVID-19 pandemic at the local and regional levels.
- (3) Commends the Local Government sector for its proactive approach to rolling out local stimulus and relief measures to Tasmanian communities.
- (4) Notes financial hardship policies have been developed across many municipalities to provide further financial assistance to those who need it the most.
- (5) Commends Local Governments for bringing forward capital works projects, which in turn are providing opportunities for local businesses and employment opportunities for Tasmanians.

NOTICES OF MOTION AND ORDERS

- (6) Further notes the Premier's Economic and Social Recovery Advisory Council has been engaging directly with the Local Government sector on council's current and future needs, as we move into the recovery phase. (17 September 2020)

350 Ms *Woodruff* to move—That the House:—

- (1) Welcomes the 'Rehabilitation & Reintegration Inspection Report: Inspection of Adult Custodial Services in Tasmania, 2018', tabled in Parliament on 16 September 2020.
- (2) Notes the report identifies and reinforces a wide range of significant issues in the State's corrections system, including but not limited to:—
 - (a) education programs being cut;
 - (b) prisoners receiving no assistance to prepare for release;
 - (c) Foundation and Case Management Plans not being reviewed as per the Director's Standing Orders;
 - (d) the need for more training for Tasmanian Prison Service staff;
 - (e) inadequate resourcing to meet the needs of prisoners with disabilities;
 - (f) the lack of a drug and alcohol program for women prisoners;
 - (g) the need to increase prisoner employment; and
 - (h) health and safety concerns across industry, food, and other areas of prisons.
- (3) Acknowledges prisoners have basic rights that must always be met by the corrections system.
- (4) Recognises that failure to deliver on support for prisoners increases the risk of reoffending, as highlighted by the Custodial-Inspector.
- (5) Further notes the reclassification of Ron Barwick Prison from a minimum security to a medium security facility.
- (6) Further recognises that 19% of the State's prisoners are Aboriginal Tasmanians, a rate four times higher than the non-Aboriginal population.
- (7) Understands this rate of incarceration for Aboriginal Tasmanians is unacceptable, and reflects the ongoing injustice faced by the First People of lutruwita/Tasmania.
- (8) Further understands the Liberal Government's approach to justice and crime is failing the community and is continuing to place huge strain on the State's corrections system. (17 September 2020)

Orders of the Day

1 Acts Enumeration Amendment Bill (No. 1 of 2019): Second reading. (The Premier)

2 Animal Welfare Reformation Bill (No. 38 of 2018): Second reading. (Ms *O'Connor*)

3 Right to Information Amendment Bill 2019 (No. 8 of 2019): Second reading. (Ms *Haddad*)

4 2019 Federal Election: Adjourned Debate on the Question proposed on Wednesday, 22 May 2019 by Mr *Shelton*—That the House:—

- (1) Congratulates Prime Minister Hon. Scott Morrison MP and the Federal Liberal Party for the outstanding result in the Australian Federal election held on 18 May 2019.
- (2) Further congratulates, subject to final confirmation, the election of Tasmanian Federal Liberal representatives in both the Senate and the House of Representatives.
- (3) Notes the strong relationship between the Hodgman and Morrison Governments, working together to deliver a stronger economy, real investment in infrastructure and better health and education services for all Tasmanians. (Next Speaker: Dr *Woodruff*)

5 Battery of the Nation: Adjourned Debate on the Question proposed on Wednesday, 31 July 2019 by Mrs *Rylah*—That the House:—

- (1) Notes Tasmania has the renewable and dispatchable energy the rest of the nation needs, and the Hodgman Liberal Government is committed to using this advantage to ensure all Tasmanians benefit.

NOTICES OF MOTION AND ORDERS

- (2) Records this Government's continuing drive for the development of the Battery of the Nation and the crucial second interconnector, the Marinus project, which have the potential to inject up to \$5 billion into the Tasmanian economy and deliver 2,000 jobs, particularly into regional areas.
- (3) Further notes that the development stage of the first phase of the Battery of the Nation carries the commitment of the Federal Government through the Federal Underwriting New Generation Investment program.
- (4) Further notes that support by both the Hodgman Liberal Government and the Federal Government, gives UPC Renewables and AC energy, more confidence to develop their Robbins Island and Jims Plain wind and solar parks.
- (5) Recognises that Tasmania has a world-class wind resource complemented by our pumped hydro that means there will always be some electricity available for export when the mainland is experiencing low wind or high demand.
- (6) Acknowledges that the Australian Government clearly recognises the importance of Tasmania's energy solutions and our status as the leading energy state.
- (7) Commends the Hodgman Liberal Government for its strong commitment to making use of the natural resources available to the State while at the same time ensuring all Tasmanians will have access to low cost, reliable and clean energy in their homes and businesses.

To which the following amendment has been proposed by Dr *Woodruff*, by leaving out all words after "That the House:-" and inserting instead:

- "(1) Notes that the Liberals repeatedly talk about the Marinus project and use it as a political wedge, particularly during election periods, despite the fact that they have not put forward a financing proposal or a position on who should finance the multi-billion project.
- (2) Agrees that the project could cost in excess of current total Public Non-Financial Corporations Sector debt, and feasibility studies and prominent economists such as Saul Eslake have raised serious concerns about the viability of the project, which have not been addressed by the State Government.
- (3) Notes that the Liberals passed legislation to set wholesale electricity prices at a rate higher than projected, leading to energy bills decreasing by less than they would otherwise have.
- (4) Notes with alarm that the Liberal Government continues to allow Entura to engage in profiteering from immoral projects overseas such as the Karuma hydro power project Uganda, which has been linked to killings and other human rights violations.
- (5) Condemns the Liberal Government for their lack of honesty, ethics or plan in their handling of the Energy portfolio." (Next Speaker: Minister for Energy)

6 Minimum Mandatory Sentences: Adjourned Debate on the Question proposed on Wednesday, 7 August 2019 by Mr *Tucker*—That the House:—

- (1) Welcomes the Federal Labor party's recent sensible backflip on minimum mandatory sentences for crimes relating to child abuse.
- (2) Acknowledges the Tasmanian Labor Party is now out of step with its Federal Labor colleagues.
- (3) Supports the introduction of minimum mandatory sentences for serious sexual offences against children. (Next Speaker: The Attorney-General)

7 Housing and Homelessness: Adjourned Debate on the Question proposed on Thursday, 8 August 2019 by the Minister for Housing—That the House:—

- (1) Acknowledges the dedicated work that is being done every day in the community and housing sectors to support Tasmanians experiencing homelessness or who are at risk of homelessness.
- (2) Further acknowledges that homelessness is often linked to other challenges such as mental illness, and the Tasmanian Government is focusing on the integration of mental health services to provide more holistic support and greater independence for clients.
- (3) Further acknowledges that Tasmania's Affordable Housing Strategy is responding to the current challenges in the housing market by boosting supply across a spectrum of needs.

NOTICES OF MOTION AND ORDERS

- (4) Further acknowledges that the Affordable Housing Action Plan Stage 2 and the additional investment in funding is another positive step towards continuing this momentum.
- (5) Recognises that all levels of government have a role to play in addressing the supply and demand in our housing market.
- (6) Call on all Members to work together to put the needs of Tasmanians above political point scoring. (Next Speaker: Minister for Housing)

8 Alcohol and Drug Dependency Repeal Bill 2019 (No. 40 of 2019): Second reading. (Minister for Mental Health and Wellbeing)

9 Economic Growth: Adjourned Debate on the Question proposed on Wednesday, 16 October 2019 by Mrs *Rylah*—That the House:—

- (1) Acknowledges that the Hodgman majority Liberal Government has a long-term plan to keep our economy strong, carefully manage the Budget, help create jobs, and invest even more in essential services.
- (2) Notes that, at the State election in March 2018, Tasmanians saw the progress that had been made in delivering our plan, across our State, in four years under a majority Liberal Government, and they supported it again.
- (3) Recognises that a vital part of the plan was to first and foremost, restore business confidence and strengthen our economy.
- (4) Further notes that Tasmania's businesses are now measured as the most confident in the nation, that Tasmania has the best business conditions in the nation and that Tasmanian small businesses are the powerhouse of our economy.
