Notices of Motion

- 2 Mr *Dean* to move - That Statutory Rules 2017, No. 108, Public Health (Infringement Notices) Amendment Regulations dated 19 December 2017 made under the *Public Health Act 1997* and laid upon the Table of the Council on 14 June 2018, be disallowed as provided by Section 47 of the *Acts Interpretation Act 1931*.
- 3 Mr *Finch* to move - That the Legislative Council:
 - (1) Calls upon the Government to acknowledge and recognise that:
 - (a) sarcoptic mange is having an adverse effect on wombat populations around the State; and
 - (b) that the disease is not just an issue confined to Narawntapu National Park and the West Tamar region.
 - (2) Urges the Government to become more involved in the fight to save the wombat population and strongly encourages the implementation of a statewide strategy for controlling the mange epidemic through a coordinated treatment plan thus reducing reliance on the efforts of community groups; and
 - (3) In recognition of the seriousness of species extinction in Australia calls upon the Government to give urgent consideration to the creation of a separate Wildlife Environment Department or

something similar so that extinction issues are not submerged below competing interests of primary industries.

Orders of the Day

- 1** Resumption of Debate by Leave (Mr *Dean*) on the Question proposed on 25 September and again on 27 September 2018 - That the Report of the Legislative Council Select Committee on Firearm Law Reforms be considered and noted.
