

## ***Forestry Amendment Bill 2009***

### **Clause Notes**

- Clause 1                      Short title and citation.
- Clause 2                      The Act will commence on the day on which it receives Royal Assent.
- Clause 3                      The Principal Act is the Forestry Act 1920.
- Clause 4                      Inserts a new section 4D in Part 1 of the Principal Act to the effect that except as otherwise provided by regulations made under the Principal Act a law of Tasmania specifying a certain mass, weight or dimension limit does not apply to the use of a vehicle or combination on forestry roads.

Clause 5

To remove any doubt that forest roads can be closed to all traffic, section 26 of the Principal Act is amended as follows:-

In subsection (1) omitting “vehicular traffic” from the definition of “prescribed sign” and substituting it with “all traffic or to a class of traffic”.

Inserting in subsection (1) a definition of “traffic” to mean pedestrian or vehicular traffic.

In subsection (2) omitting “vehicular traffic” and substituting “all traffic, or to a class of traffic”.

In subsection (6) omitting “vehicular traffic” and substituting “all traffic, or to a class of traffic”.

Clause 6

The Act will be repealed on the ninetieth day from the day it commences. This Clause is a standard Clause included in Amendment Acts to avoid the need to repeal the Act by a subsequent enactment.
