Mr. Stuart Wright.
Committee Secretary.
L. Council.

Subject. Tasmanian Forests Agreement.

Dear Sir,

I would like to present several
evidence to the Legislative Council Select
Committee on the above Bill as per your
Press. notice in to-day's advocate.

I have been concerned about this
Subject for a very long time now, and
feel I must speak out now. I have had
a lot to do in my life time in the Shipping
Industry in Australia. I am not impressed
with the way this Bill has taken to
arrive into the L.C. to be told that
it must be passed before the Cmas break
The Tasmanian Timber Industry is an
important Industry not only the people who
eat at the table for a couple of years, but
a lot more Tasmanians.

Yours faithfully,
Captain Richard Burgess.
