

## Caravan Parks - Proposed Legislation

### **Ms FINLAY question to MINISTER for SMALL BUSINESS and CONSUMER AFFAIRS**

On the recent Walk Against Elder Abuse, I had quite a number of constituents come up to me and ask about your proposed legislation for long-term residencies in caravan parks. A number of questions were asked of me, including: when will consultation begin? What form will consultation take for members of the community to engage in the process? How would you identify a major stakeholder in that process? When do you intend to commence and conclude that consultation? When do you intend for that legislation to be tabled in the parliament?
