**DERWENT VALLEY RAILWAY:**

**PETITION IN FAVOUR OF ROUTE AS SURVEYED.**

---

Presented by Mr. Shookbridge, November 6, 1884, and ordered by the House to be printed.

*The Honorable the Members of the House of Assembly, in  
Parliament assembled.*

The humble Petition of the undersigned Holders and Occupiers of land situate in the  
District of New Norfolk and the surrounding neighbourhood,

SHOWETH :

THAT your Petitioners are strongly impressed with the conviction that the line of  
Railway through the Valley of the Derwent, as already surveyed by order of the Govern-  
ment, cannot be improved upon, and will in all respects meet the requirements of the  
public.

Your Petitioners therefore humbly pray that your Honorable House will be pleased  
not to sanction any alteration in the route of the said Railway on the line already laid  
out.

And your Petitioners will ever pray, &c.
