* No statistics given relating to vaccination prior to year 1877.

† There is not sufficient information given in records to determine the exact number of adults and children in this column. The numbers, therefore, indicate "persons" or "vaccinations performed by public officers."

‡ It is impossible, from statistical records, to separate cost of vaccination services from cost in connection with other offices held by the Chief Medical Officers.

^a Vaccinations performed under Vaccination Act 17 Vict. No. 20.

^b " " " 45 Vict. No. 2.

^c " " " 46 Vict. No. 19.

Vaccination of children compulsory since 1853.
